Now, it is time for appreciating the efforts of the students. I strongly believe one of the best methods of educating our self is participation. I whole heartily congratulate all the participants and the winners of the event. It's time to recognize the winners of the various events conducted during this academic year.

Winning is great, sure. But if you are really going to do something in life, the secret is learning how to lose. Nobody goes undefeated all the time. We have champions who presented their talent. Let's have a big round of applause for all participants.

To present the award I request Dr. E. Nirmala Mam to be on the stage.

VOTE OF THANKS

A very good morning to all. On behalf of all students and staff, I am glad to be standing here to express my vote of thanks. I thank our HOD, Dr. E.Nirmala mam, for always supporting and guiding us. Our Teachers, the superstars of today, always put in a lot of effort and love into making each one of us good students and wonderful human beings. You have always been generous with your time when your students need you no matter what. Thank you dear Teachers. I would be failing in my duty if I did not thank my fellow students who have made this day possible. I would also like to thank each and every one of you for being here and making this day a wonderful and memorable one for our dear teachers. Thank you once again.

Brief Report,

The DECODE Club of Department of Computer Science (Shift - II) organized the first club activity for the academic year 2022-2023 on 18th August, 2022. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the Educational System And role of technology in today's world among students. Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits.

Brief Report,

The DECODE Club of Department of Computer Science (Shift - II) organized club activity “Poster Making” on 15th September, 2022. The topics for the competition were Internet Of Things, Virtual Reality and Cyber Security. Students were asked to express their ideas through paintings and sketches. The young learners displayed their artistic skills through an array of posters. Students of all the years are participated in the competition with immense zeal and enthusiasm and made beautiful posters which gave the message of technical and providing a technical environment to our future generations. It was a great opportunity to watch these young minds creating and displaying their ideas on their own materials. The students thoroughly enjoyed the activity.

VOTE OF THANKS

A very good morning to all. On behalf of all students and staff, I am glad to be standing here to express my vote of thanks. I thank our HOD, Dr. E.Nirmala mam, for always supporting and guiding us. Our Teachers, the superstars of today, always put in a lot of effort and love into making each one of us good students and wonderful human beings. You have always been generous with your time when your students need you no matter what. Thank you dear Teachers. I would be failing in my duty if I did not thank my fellow students who have made this day possible. I would also like to thank each and every one of you for being here and making this day a wonderful and memorable one for our dear teachers. Thank you once again.
