"Excellence Through Diligence"

Ram N Ramamurthy has been a businessman for the last 25 years out of his 33 years of professional life

After completing his DME in 1985 he worked in various companies like Rockweld Electrodes Limited, Larsen & Toubro Limited, ITW Signode and NIIT Limited.

He started a sales training company by name IIST in 1994 and diversified into BPO services in 1999.

In 2001 he moved to the United States and incorporated a BPO company by name Sri IIST Inc.

The business expanded with 5 offices in different states and in 2008 he started a software company by name DGVault, Inc in USA. The software as a service model provided electronic invoice presentment and payment solutions to customers in USA

For both the companies the back office operations were conducted from India and he incorporated EIPP Solutions Private Limited in 2011 at Chennai.

In June 2011 he sold both his businesses in USA returned to India in July 2011.

Since then he has been running EIPP Solutions Private Limited providing back office services to clients in USA and has currently about 70 employees

He is also the founder of Mindhour TN Private Limited, an ed tech company in k-12 market and Nalabagh Tiffin Center which is a vegetarian food outlet in Chennai

He and his wife are active Rotarians and contributes liberally to social causes

Arul Dev
Founder CEO

Arul Dev – an Author, Radiant Universal Leader coach™ and Integral Educator, has been in the field of leadership, education and human resources consulting for the last 21 years. An engineer from BITS Pilani, he founded People First Consultants, a human resources consultancy in Chennai, India in 1995, where he plays the role of Founder CEO.

Arul Dev is a specialized Radiant Universal Leader Coach™ with an Associate Certified Coach (ACC)™ certification from the International Coach Federation. He coaches select hand picked Radiant Universal Leaders™ who are a) nearing a state of Universe Centeredness, b) aspiring to create purpose & value centered organizations/ communities that can create some global contribution to humanity through their work and c) intending to accomplish this agenda through transformation of collective culture at micro and macro level. The prerequisite to begin this coaching journey with Arul is that the leader is already at a good degree of competency in their personal mastery and self-awareness.

Arul Dev is a masterful Learning & Development facilitator with a rich industry experience of 21 years. His primary work is enabling leaders to master the art of Self Leadership, Team Leadership and Culture Evolution. In his workshops and interventions, leaders learn the art of becoming self-aware, sensing their inner presence, discovering their life purpose, core values and signature strengths and crafting their personal development plans for inner change and evolution. Leaders reflect and learn how to guide/ inspire their team members to discover their purpose.

C K Kumaravel

CEO & Co-founder, Naturals Salon & Spa
Chennai, Tamil Nadu, India

I am a believer, a strong believer of the fact that every single Indian must look good! If they look good, they feel good, if they feel good they perform good and if they perform good they look good. Thus the cycle repeats. Indians are no way inferior to westerners, with a little help on grooming tips & tactics, we can outshine the westerners in terms of looks. I think women are foolish to pretend they are equal to men, they are far superior and always have been. Women are as capable of men and more often than not, more capable. They require a little framework and a push in the beginning after which there is no looking back. People call me a creator of women entrepreneurs but I'm really a beneficiary of women entrepreneurship!

I have a dream, my dream is to erase the word housewife from the Indian dictionary.

I have a goal, my goal is to have 1000 women entrepreneurs and create 50,000 jobs across 3000 salons by 31st December 2017. My long term goal is to make Naturals the No. 1 brand in the world by 2025.

The glory of your life is not in the number of days you have lived so far, it is in the number of days you are going to live from now on.

The glory of Naturals is not in the 450 salons we have opened so far, it is in the 2550 salons we are going to open from now on!

Together, let us build a beautiful India!

Be rich, be happy! ...

Want to create 1,000 successful women entrepreneurs: C K Kumaravel, Naturals Beauty Salon

CEO

Company Name Naturals Salon & Spa

Dates Employed 2000 – Present

Employment Duration 18 yrs

To

Dr. V.Vilfred

Head, Department of Mathematics,

School of Physical Sciences,

Central University of Kerala,

Kasaragod,

Kerala.

Dear Sir,

Sub: Invitation for National Seminar - Reg.

Greetings!

We are happy to invite Dr. V. Vilfred, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala to inaugurate the National Seminar on " Explorations In Mathematical Sciences " on 20.09.2018 by 9.00a.m to 10.00a.m. We look forward to your talk Sir.

Thanks & Regards,

V. AGNES S.J. LAVANYA.

We are pleased to invite you for the National Seminar on *Explorations In Mathematical Sciences* scheduled on 20th September, 2018. We believe that your contribution for this seminar is unparalleled and will be of great benefit to the participants. Kindly find the invitation attached herewith.

Regards

Thank You

V. Agnes Lavanya

Greetings

We cordially invite you to the National Seminar on "EXPLORATIONS IN MATHEMATICAL SCIENCES" which is to be held on 20th September, 2018. The following competitions will be held on the same day.

1. Math Modeling.
2. Poster Presentation.

The rules for the above two competitions will be

1. Two participants per team.
2. Students can bring the completed models/posters.

Cash prize will be awarded for the best model/posters.

Refreshments, lunch, certificates and kit will be provided for the participants. Please find attached the invitation for the National Seminar.

Awakening for an early response.

Course Offered:	MSM 521: Algebra-2
Elective Course:	Operations Research
Brief Profile:	<p>From 10.12.2015 Associate Professor and from 05.09.2016 HOD of Mathematics, Central University of Kerala.</p> <p>From 12.07.1982 to 09.12.2015 HOD & Associate Professor / Reader / Assistant Professor / Senior Lecturer / Lecturer at St. Jude's College, Thoothoor.</p> <p>Solved a 40 year old conjecture on the existence of self-complementary circulant graphs stated by Horst Sachs.</p> <p>Developed "A Theory of Cartesian Product and Factorization of Circulant Graphs" similar to the theory of product and factorization of natural numbers.</p> <p>Defined a new type of circulant graph isomorphism, developed its theory and obtained new abelian groups.</p> <p>Defined 'Sigma labeling' of graphs or Distance Magic labeling of graphs and developed its theory with Dr. M.I. Jinnah.</p> <p>Extensively studied properties of sum and integral sum graphs.</p> <p>Five candidates completed their Ph.D.s under my guidance.</p> <p>Published 22 papers in National/International journals and 35 articles in proceedings of National/International Conferences. Co-Editor of the Proceedings Volume-I (Bonfing ISBN 978-93-82338-30-7) of the International Conference on Applied Mathematics and</p>

Faculty

Theoretical Computer Science with Dr. L. Mary Florida held at St. Xavier's Catholic Engineering College, Nagercoil, Tamil Nadu, India (24,25-02-2013), pp. 1-307.
 Completed two UGC minor projects and one DST major project.
 Member of Reviewer of Mathematical Review of AMS, AMS, Society for Industrial and Applied Mathematics and life member of Ramanujan Mathematical Society, Academy of Discrete Mathematics & Applications, Kerala Mathematical Association and Indian Mathematical Society.
 Very good foot-ball player.

RESUME

Name : Dr. M . P. JEYARAMAN

Date of Birth : 16.06.1975

Qualification : M.Sc, M.Phil, Ph.D

- i) B.Sc - (1992 - 1995) - Vivekananda college, Thiruvudagam, Madurai
- ii) M.Sc - (1995 - 1997) - The American college, Madurai
- iii) M.Phil - (1997 - 1998) - Madras Christian college, Tambaram, Chennai
- iv) Ph.D (Complex analysis) - 2008 - Anna university, Chennai

Presently working : Assistant professor, Department of Mathematics,
L.N. government college, Ponneri - 601204

Teaching experience : 21 years and 6 months

Area of interest : Analysis and Automata theory

Visiting faculty : i) Anna university, MIT campus, Chennai
ii) Manipal university, Chennai campus
iii) WIPRO and BITS Sholinganallur campus, Chennai .

Resource person - UGC lecture series on Discrete mathematics, networking analysis & sequencing and programming problems conducted by Educational Multimedia Research centre, Anna University, Chennai -broadcasted by UGC, Delhi

Books written :

- i) Discrete Mathematics, Meenakshi agency, Chennai
- ii) Linear Algebra and Partial Differential equations, Meenakshi agency, Chennai
- iii) Graph Theory with Application, Meenakshi agency, Chennai
- iv) Editor, proceedings of National Conference of Recent Trends in advanced mathematics, ISBN - 9789380430041, CBI Publishers, Chennai

		<p>Conference on Graph Theory and Its Applications, Tumkur University, Tumkur, Dec 5th 2011, pp.9-13 (with Pavithra M.)</p> <p>5. Minimal Hub Graph and Common Minimal Hub Graph of a Graph, Proceedings of the National Conference on Recent Developments in Mathematics and Their Applications (NCRDMA-2014), Tumkur University, Tumkur, 17-18 Oct, 2014 pp.93-97 (with Kiran S. and Shyamili)</p> <p>6. - Lokesh S.B., and Ivan Gutman).
5. Further Results on Cocomplete Bipartite Graphs, Asian Journal of Mathematics and Applications, Asian Journal of Mathematics and Applications, Article ID ama0010, 9 pages, 2013, (with Ali Sahal).
 6. Two-out degree equitable domination in graphs, Transactions on Combinatorics, 2 (No.3), 2013 pp.13-19, (with Ali Sahal).
 7. Connected Near Equitable Domination in Graphs, Bulletin of the International Mathematical Virtual Institute, Vol.3, 2013, pp.139-148, (With Ali Sahal).
 8. On Near Equitable Domination in Graphs, Asian Journal of Current Engineering and Mathematics, 3(2), 2014, pp.39-46, (With Ali Mohammed Sahal).
 9. Total Near Equitable Domination in Graphs, International Journal of Mathematical Combinatorics, 3, 2014, pp.104-110, (with Ali Mohammed Sahal).
 10. On Lict Sigraphs, Transactions on Combinatorics, 3(No.4), 2014, pp.11-18, (with Kishori P. Narayankar)
 11. Cocomplete k-partite Graphs, International Journal of Computer Applications, 91(9), 2014, pp.1-4, (with Ali Mohammed Sahal).
 12. Strong Total Near Equitable Domination in Graphs, International Journal of Mathematical Archive, 5(3), 2014, pp.183-188, (with Ali Mohammed Sahal).
 13. The Total hub number of graphs, Bull. Of the International Mathematical Virtual Institute, Vol.4, 2014, pp.61-67, (with Ali Sahal and Kiran S.).
 14. The Minimum Hub Distance energy of a Graph, International Journal of Computer Applications, 125(13), 2015, pp.1-6, (with Sultan Mahde).
 15. Hub-Integrity of Graphs, Bulletin of the International Mathematical Virtual Institute, 5, 2015, pp.57-64, (with Sultan Mahde and Ali Sahal).
 16. Vulnerability : Vertex Neighbor Integrity of Middle Graphs, Journal of Computer and Mathematical Sciences, 6(1), 2015, 43-48, (with Sultan Mahde and Ali Sahal)
 17. Vertex-to-Edge-set Distance Neighborhood Pattern Matrices, International Journal of Mathematical Combinatorics, Vol.3, 2015, 105-115 (with Kishori P.N. and Lokesh)
 18. Transformation Graph G^{xy} with $xy=+-$, International Journal of Mathematical Combinatorics, Vo.4, 2015, 25-32 (with Ali Mohammed Sahal)
 19. Some Operations in Hub-Integrity of Graphs, Asia Pacific Journal of Mathematics, Vol.2, No.2, 2015, 108-123 (with

		<p>55. One Day National Symposium on "Interfaith Dialogue", UGC-Human Resource Development Centre, University of Mysore, Mysuru, 29th Feb 2016.</p> <p>56. The Eighth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 10th March 2016, DOS in Mathematics, University of Mysore, Mysore.</p> <p>57. UGC sponsored Two Day National Conference on "Energy of Graphs (NCEG-2016), Maharani's Science College for Women, Mysuru, 11-12 Mar 2016.</p> <p>58. Pi Day Celebration at MMK and SDM Mahila Maha Vidyalaya, Mysore, 14th Mar 2016</p> <p>59. National Conference on "Ramanujan's Contribution and Emerging Trends in Graph Theory in the field of Mathematics" at Shri Sakthikailassh Women's College, Salem, 23rd Dec 2016</p> <p>60. Workshop on AISHE at KSHCE, Bangalore, on 11.01.2017</p> <p>61. UGC Sponsored 1-Week Workshop on ICT at UGC-Human Resource Development Centre, University of Mysore, Mysuru, from 07.03.2017 to 13.03.2017</p> <p>62. National Conference on Geometric Function Theory and Its Applications in honour of Dr.S.Latha, Yuvaraja College, Mysuru, 29th and 30th January, 2018.</p> <p>63. National Conference on 'Advances in Applied Mathematics', Dept. of Mathematics, University College of Science, Tumkur University, Tumakuru, 8th February, 2018.</p> <p>64. One-day Workshop on "Graph Theory and Linear Algebra", Department of Mathematics, Vidyavardhaka College of Engineering, Mysuru, 21st February, 2018.</p>
13.	Research Publications	
13.1	In International Journals	<p>1. Connectivity of Smarandachely Line Splitting Graphs, International J.Math. Combin , Vol.4 (2010), 08-12 (with B.Basavanagoud)</p> <p>2. Graph equations for line graphs, middle graphs, semi-splitting block graphs and semi-line splitting block graphs, Proceedings of the Jangjeon Mathematical Society, 14 (2011) No. 2, pp.209-214.</p> <p>3. Cocomplete Bipartite Graphs, Proceedings of the Jangjeon Mathematical Society, 15 No.4,2012,pp.395-401 (with Ali Sahal).</p> <p>4. Hosoya Polynomial of Hanoi Graphs, Kragujevac Journal of Mathematics, 36 (1), 2012, pp.51-57, (with Kishori P.N.</p>

39. One Day National Conference on Recent Advances in Mathematics (NCRAM-2014), JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 24th Jan 2014
40. Two Day Workshop on Multimedia teaching-learning resource creation for on-line access, University of Mysore, Mysore, 06-07 Mar 2014
41. The Sixth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 14th March 2014, DOS in Mathematics, University of Mysore, Mysore
42. Annual Conference of ADMA and Graph Theory Day, REVA Institute of Technology and Management, Bangalore, 10-13, Jun 2014
43. National Conference on Recent Developments in Mathematics and their applications (NCRDMA-2014), 17-18 Oct 2014
44. Two Day International Conference on Mathematics – Yesterday and Today (ICMYT-2014), JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 26-27 Dec 2014
45. Two Day National Conference on “Recent Advances in Applied Mathematics”, St.Philomena’s College, Mysuru, 22-23 Jan 2015
46. National Conference on Recent Trends in Physics, Mathematics and Engineering (RTPME-2015), Sarada Vilas College, Mysuru, 20-21 Feb 2015
47. UGC Sponsored One Day National Conference on Mathematics and its Applications, University of Mysore, Mysuru, 21st Feb 2015
48. The Seventh Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 24th March 2015, DOS in Mathematics, University of Mysore, Mysore
49. IoE, UOM Sponsored Two Days National Workshop on Algebra, University of Mysore, Mysuru, 22-23 Aug 2015
50. UGC SAP DRS-1 Sponsored One Day National Conference on Graph Theory and Number Theory, University of Mysore, Mysuru, 24th Aug 2015
51. Golden Jubilee Celebrations of JSS College of Arts, Commerce and Science, Mysore, 21st Nov 2015
52. The 103rd Indian Science Congress, University of Mysore, Mysore, 03-07 Jan 2016.
53. Refresher Course at UGC- Human Resource Development Centre, University of Mysore, Mysuru, from 15.02.2016 to 06.03.2016
54. Two Days National Workshop on Number Theory and Works of Srinivasa Ramanujan, University of Mysore, Mysuru, 26-27 Feb 2016

- and Computer Science, Rani Channamma University, Belagavi, 21-22 May 2011
23. Annual Conference of Academy of Discrete Mathematics and Applications (ADMA) and Graph Theory day VII, National Institute of Technology, Calicut, 9 -11, Jun 2011
 24. National Conference on Graph Theory and its applications, Tumkur University, Tumkur, 5th Dec 2011
 25. National Conference on Theoretical Computer Science and Discrete Mathematics, Kalasalingam University, Krishnankoil, 9-11, Jan 2012
 26. National Conference on Fuctional Analysis and its Applications (FAA-2012), PES College of Science, Arts and Commerce, Mandya, 17-18, Feb 2012
 27. The Fourth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 12th March 2012, DOS in Mathematics, University of Mysore, Mysore
 28. National Conference on Graph Theory and Number Theory- NCGTNT-2012, University of Mysore, Mysore, 21-22, Mar 2012
 29. Three day Workshop on Algebra and its Applications, University of Mysore, Mysore, 30th Jul - 1st Aug 2012
 30. One-Day Seminar on Curriculum Development in Mathematics, JSS College for Women, Saraswathipuram, Mysore, 29th Sept 2012
 31. International Conference on The Works of Srinivasa Ramanujan and Related Topics, University of Mysore, Mysore, 12-14 Dec 2012
 32. Three day workshop on field theory via Geometry and Number Theory, University of Mysore, Mysore, 04-06 Feb 2013
 33. The Fifth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 9th March 2013, DOS in Mathematics, University of Mysore, Mysore
 34. ICDM-2013, Karnatak University, Dharwad, 10-14, Jun 2013
 35. International Seminar on "Recent Trends in Mathematics", JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 6th Aug 2013
 36. Three day workshop on an introduction to Algebraic Number Theory via Quadratic fields, University of Mysore, Mysore, 22-24 Aug 2013
 37. Three Day Special Lecture Series in Mathematics, University of Mysore, Mysore, 21-23 Nov 2013
 38. Refresher Course, at UGC-Academic Staff College, University of Mysore, Mysore, from 04.12.2013 to 24.12.2013

- 2008
6. International Conference on "Discrete Mathematics" (ICDM-2008), University of Mysore, Mysore, 06-10 Jun 2008
 7. Instructional Workshop on Differential Geometry, University of Mysore, Mysore, 16-25 Jun 2008
 8. Orientation Programme at UGC-Academic Staff College, University of Mysore, Mysore, from 17.07.2008 to 13.08.2008
 9. Two day National Conference on "Behaviour Modification skills for teachers of Higher Education", UGC-Academic Staff College, University of Mysore, Mysore, 08-09 Aug 2008
 10. International Conference on Graph Theory and its Applications, Amrita Vishwa Vidyapeetham University, Ettimadai, Coimbatore, 11-13 Dec 2008
 11. The First Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 21st March 2009, DOS in Mathematics, University of Mysore, Mysore
 12. Fifth Annual Instructional Conference of ADMA and Graph Theory Day V, Periyar University, Salem, 08-10 Jun 2009
 13. National Conference on "Emerging trends in Fluid Mechanics and Graph Theory", Christ University, Bangalore, 25-26, Feb 2010
 14. The Second Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 24th March 2010, DOS in Mathematics, University of Mysore, Mysore
 15. National Workshop on Semigraphs, College of Engineering, Pune, 04-07 Jun 2010
 16. Sixth Annual Instructional Conference of ADMA and Graph Theory Day VI, College of Engineering, Pune, 08-10, Jun 2010
 17. Refresher Course Programme at UGC-Academic Staff College, University of Mysore, Mysore, from 10.06.2010 to 30.06.2010
 18. The National Conference on the Works of Srinivasa Ramanujan, University of Mysore, Mysore, 3rd July 2010
 19. International Conference on Recent Trends in Graph Theory and Combinatorics, ICRTGC-2010, 12-15, Aug 2010
 20. The Third Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 7th March 2011, DOS in Mathematics, University of Mysore, Mysore
 21. National Conference on Applications of Mathematics and Statistics, Yuvaraja College, University of Mysore, Mysore, 25-26, Mar 2011
 22. Inter-university subject based conference on Mathematics

		<ul style="list-style-type: none"> • Member of BOS in Mathematics, JSS College for Women, Mysore. • Member of BOS in Mathematics, JSS Arts, Commerce and Science College, Ooty Road, Mysore. • Member of BOS in Mathematics, Government (Autonomous) College, Mandya. • Member of BOE in Mathematics, University of Mysore • Member of Board of Studies in Mathematics (PG), University of Mysore.
9.	Areas of interest.	
9.1	Academic interest	Mathematics
9.2	Research Interest	Graph Theory
10.	Post Doctoral Research Activities	--
11.	Research Supervision	
11.1	Ph. D Awarded	01
11.2	Ongoing	04
12.	Workshops/ Symposiums / Conferences attended.	<ol style="list-style-type: none"> 1. Group Discussion on Energy of a Graph, Karnatak University, Dharwad 07-15 Jul 2003 2. International Conference on "Advances in Applied Mathematics", Gulbarga University, Gulbarga, 24-26 Feb, 2005 3. Workshop on "Vijnana Samvahana", Kvempu Kannada Adhyayana Samsthe, Kuppali, 09-12, May 2006 4. Group Discussion on Perfect Graphs and their applications, Regional Institute of Education (NCERT), Mysore, 15-24 Nov 2007 5. Pre Conference Instructional Workshop on "Discrete Mathematics", University of Mysore, Mysore, 02-05 Jun

3.	Professional Experience	<p>Teaching :</p> <ul style="list-style-type: none"> At Post Graduate level, from 19.07.2007 to till today. At Secondary School level from 12.01.2004 to 18.07.2007 At Under Graduate level from 17.10.1998 to 16.10.1999 And from 21.10.199 to 10.01.2000 <p>Technical :</p> <ul style="list-style-type: none"> Technician, UGC-Academic Staff College, Karnatak University, Dharwad, from 10.01.2000 to 10.01.2004
4.	Professional Recognition.	<ul style="list-style-type: none"> Assistant Professor, DOS in Mathematics, University of Mysore, from 19.07.2007 to till todate. Assistant Teacher, Government High School, Tidigol, 12.01.2004 to 18.07.2007 Junior Merit Associate, College of Agriculture, University of Agricultural Sciences, Dharwad, from 17.10.1998 to 16.10.1999 And from 21.10.1999 to 10.01.2000
5.	Research Recognition	<p>No. of Students with Ph.D awarded : 01 No. of students with M.Phil awarded : 10 No. of Students pursuing Ph.D : 04</p>
6.	Abroad Visit	--
7.	Awards Received	<ol style="list-style-type: none"> Best Paper presentation award at 10th Annual Conference of ADMA and Graph Theory Day, REVA Institute of Technology and Management, Bangalore, 10-13 Jun 2014. Title of the paper : Co-complete k-partite graphs Awarded Best Paper at the National Conference on Recent Trends in Physics, Mathematics and Engineering (RTPME 2015), Sarada Vilas College, Mysore, 20-21 Feb 2015. Title of the paper : On Lict Sidigraphs
8.	Member of Professional / Academic bodies.	<ul style="list-style-type: none"> Member of Department Council, DOS in Mathematics, Univeristy of Mysore, Mysuru. Member of Faculty of Science and Technology, Univeristy of Mysore, Mysuru. Member of Academy of Discrete Mathematics and Applications Member of Indian Science Congress Association

.1.	Professional.	M.Sc., M.Phil., Ph.D.
.2	Additional	B.Ed., PGDCA

Dr.C.VIJAYALAKSHMI

Working as Associate Professor in School of Advanced Sciences, Mathematics Division,
VIT University, Chennai

Professional Qualification:

Ph.D Stochastic Processes General Bulk Queues and their applications (Operations Research)
M.Sc. Operations Research and computer Applications (OR & CA), National Institute of
Technology (NIT) Trichy.

Total working experience(Teaching)	- 23 years
Industrial experience	- 2 years

BOOK PUBLICATIONS:- (For B.E, M.E Engineering students of Anna University)

- i) "Probability & Random Process".
- ii) "Probability & Queuing Theory"
- iii) "Probability & Statistics(Reliability)
- iv) Engineering Mathematics I Anna University – 2018-Volume I

Number of International/National Journal publications(scopus indexed) : 102

Number of International/National conference proceedings : 75

Best paper awards : 8

Projects competed : 1. BRFST for Rs.30 lakhs

2. Seed fund for Rs.3 lakhs

Best Project Award in M.Sc at R.E.C(National Institute of technology) , Trichy.

Received Best Teacher Award in 2003,2010 at Sathyabama University Chennai

Received Bharat Jothi award in 2005 for Academic excellence in Delhi

ASDF Award – Best Professor of 2012 by Pondicherry Government

Best Professor 2013 – VIT University

Best Professor 2014- International Lion's club

Best Professor-Research Award-2015 to 2018 at VIT University

Publications: Total publications

M.Phil (ongoing)	-	1
Examiner for Ph.D thesis Evaluation	-	4

Principal investigator for UGC minor research project titled
 “Different Subordination of Analytic Function” (MRP/UGC/2014-15).
 Completed in the year 2017.

Content Reviewer for Higher Secondary mathematics text books of
 Government of Tamil Nadu

Reviewer of the journal :

- Functional analysis theory methods and applications(USA)
- Acta Mathematica Scientia (Elsevier) (China)
- Tamsui Oxford Journal of Information and Mathematical Sciences (Taiwan)
- Computers and Mathematics with Application (USA)
- Journal of Mathematics Research with Application (China)

- Member in Doctoral Committee of various universities
- Member in Board of Studies
- Given nearly 30 lectures on various topics related to Mathematics in various colleges of Tamil Nadu.
- Member in selection committee in recruitment process of staff category of employees

Dr. MGR JANAKI COLLEGE OF ARTS AND SCIENCE FOR WOMEN, CHENNAI-28
DEPARTMENT OF MATHEMATICS

NATIONAL SEMINAR ON EXPLORATIONS IN MATHEMATICAL SCIENCES

ON 20th SEPTEMBER 2018

REGISTRATION FORM

S.NO	NAME	DESIGNATION & DEPARTMENT	ORGANISATION/ INSTITUTION	AMOUNT / DD No	MOBILE NO	MATH MODEL/POSTER PRESENTATION	SIGNATURE

DEPARTMENT OF MATHEMATICS

NATIONAL SEMINAR ON “EXPLORATIONS IN MATHEMATICAL SCIENCES”

20 SEPTEMBER 2018

DYNAMICS OF THE SEMINAR

Mathematics, rightly viewed, possesses not only truth, but supreme beauty—a beauty cold and austere, like that of sculpture, without appeal to any part of our weaker nature, without the gorgeous trappings of painting or music, yet sublimely pure, and capable of a stern perfection such as only the greatest art can show. The true spirit of delight, the exaltation, the sense of being more than Man, which is the touchstone of the highest excellence, is to be found in mathematics as surely as poetry. Mathematical beauty is the aesthetic pleasure typically derived from the abstractness, purity, simplicity, depth or orderliness of mathematics. Mathematicians often express this pleasure by describing mathematics as beautiful. To explore the beauty of Mathematics.

Dr. V. VILFRED, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala will deliver inaugural address.

We have planned to conduct 3 Sessions. The details of the session are as follows:

Dr. C. Vijayalakshmi, Associate Professor, Mathematics Division. School of Advanced Sciences. VIT, Chennai will handle the first session. She is going to lecture on the topic “Optimization Techniques and its Applications”.

The next session will be taken over by Dr. Veena Mathad, Assistant Professor DOS in Mathematics, University of Mysore. She will deliver a talk on “Co complete Bipartite Graphs”.

The last session will be handled by Dr. M.P. Jeyaraman, Assistant Professor, Department of Mathematics, L.N. Government College (Autonomous), Chennai. He will brief on the topic “Know Your Mathematics”.

We look forward to get an exposure about what the best of brain think about the Elegance of Mathematics.

INTRODUCTION OF SPEAKERS

Dr V. Vilfred

Dr V. Vilfred is currently an associate professor , department of mathematics, school of physical sciences. His area of specialisation includes discrete mathematics, graph theory, combinatorics and algebra. He also completed two UGC minor projects and one DST major project. Also he's a member of reviewer of mathematical review of AMS, Society for industrial and applied mathematics and life member of Ramanujam mathematical society, academy of discrete mathematics and its applications, Kerala mathematical association and Indian mathematical society.

Dr. C. Vijayalakshmi

Dr. C. Vijayalakshmi is working as associate professor in school of advanced sciences, mathematics division, VIT university, Chennai. She has completed her Ph.D in stochastic processes general bulk queues and their applications. Also she has over 23 years of experience in teaching and over two years of industrial experience. She has also published 102 national and international journals and 75 national and international conference proceedings. She has also been awarded best professor by pondicherry university.

Dr. Veena Mathad

Dr. Veena Mathad is a post graduate professor in university of Mysore. She has received the best paper presentation award at 10th annual conference of ADMA and graph theory day, REVA institute of technology and management. Her area of research interest is graph theory. She has attended several workshops, symposium and conferences. She has also been a part of several national and international journals.

Dr. M. P. Jeyaraman

Dr. M. P. Jeyaraman is currently working as an assistant professor, department of mathematics, L. N. Government college, ponneri. He has over 21 years of teaching experience. He has been awarded doctorate on complex analysis from Anna university in the year 2008. He is also a visiting faculty at anna university, MIT campus, Chennai, Manipal university, Chennai campus and wipro and BITS, sholinganallur. He has also written books on discrete mathematics, linear algebra, partial differential equations, graph theory.

NATIONAL SEMINAR ON “EXPLORATIONS IN MATHEMATICAL SCIENCES

20 SEPTEMBER 2018

SCRIPT

A Very pleasant morning to one and all Gathered here. I feel privileged to welcome you on behalf of the Department of mathematics, Dr. MGR Janaki College to this national Seminar on “Explorations in Mathematical Sciences”. The aim of education is the knowledge not of fact but of values. It is an occasion like this we get opportunities to test our knowledge and understanding encouragement, enthusiasm, excellency is one of the major aspects of this organization with Object Of encouraging the spirit of research and innovation, we feel proud to organize this national seminar on

“Explorations in Mathematical Sciences”. We look forward to get an exposure about what the best of brain think about this dynamic issues on Applications of mathematics.

First of all I would like to welcome our honourable chief guest Dr. V. Vilfred, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, kerala & Our Correspondent Dr. Latha Rajendran, chairman Mr. Kumar Rajendran, Esteemed Principal of our institution Dr. Manimekalai, Vice principal Dr. Lakshmi Balaji, Dean of students Dr. Apitha Sabapathy, Dean of Academics Dr. Shanthi Lakshmi.

Also I extend a warm Welcome to the participants from other Colleges, my colleagues and my dear students. Once again I welcome you all.

“Prayer is not asking, Prayer is putting oneself in the hands of God at his disposition and listening to his voice in the depth of our hearts”.

Let us invoke God’s blessings through prayer song. Thank you students for making us to feel the presence of God. The lamp refers to not just the physical fire but symbolises the cosmic force of Divine light.

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Now I request the dignitaries on the dias to light the Kuthuvilaku.

Thank you sir Thank you mam.

Now I request Our Vice-principal Dr. Lakshmi Balaji to Welcome our honourable chief guest Dr. V.Vilfred with a Sappling. Thank you mam, Thank you Sir.

Now I Call upon Mr. Agnes Lavanya, Head, Dept of Mathematics to present a Sappling to our Vice Principal Dr. Lakshmi Balaji and Our Dean of students Dr.Apitha Sabapathy. Thank you mam.

“ Small cheer and Great welcome makes a mercy feast”.

I request Our Vice-Principal Dr. Lakshmi Balaji to welcome the chief guest of the gathering.

Thank you mam for our red carpet of welcome.

“Gifts are the symbols of love”

To express our gratitude and love, may I request Dr. Lakshmi Balaji, Vice Principal to present, a memento to our chief Guests.

Thank you mam. Thank you Sir.

May I now request Ms.S.vasanthi, Assistant professor. Dept of Mathematics to introduce our honourable chief Guest

May I now request our chief Guest Dr.V.Vilfred, Head, Dept of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala to deliver the inaugural address.

Thank you very much sir for your thought provoking address. As we express our gratitude, we must never forget that the highest appreciation is not the utter words but to live by them. Gratitude is the virtue of all deeds. To express our sincere gratitude may I call upon Ms.C.Preethi, Assistant Professor, Dept of mathematics, Dr. MGR Janaki College to deliver the Vote of thanks.

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Pause for guest to leave.

I-SESSION

Dr.C. Vijayalakshmi, Associate Professor, Mathematics Division, School of Advanced Sciences, VIT, Chennai will deliver her talk on the topic “Optimization techniques and its Applications”

Mam please, we are eagerly waiting to listen to your session.

Thank you mam for your Valuable insights on Optimization techniques and its application. Your address will definitely help a lot in understanding and this will go long in understanding the Concept behind them.

Announce: Let us take tea break for 15 mins. Come back at 11:15 am.

II-SESSION

Once again I welcome you all.

This session will be handle by Dr.Veena Mathad, Assistant Professor DOS in Mathematics, University of Mysore, Mysore.

She is going to lecture On the topic “Co Complete Bipartite Graphs”

To welcome and introduce the Speaker of this session, may I call upon Ms. S. Subbulakshmi, Assistant Professor, Department Of Mathematics.

Thank you mam please take over the session.

Thank you Mam your address today will be echoed in our minds for long time to come. Thank you mam.

Let us break for delicious lunch

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Assemble here after 30 min Lunch will be provided for the participants from other colleges in Seminar hall II which is in Science block

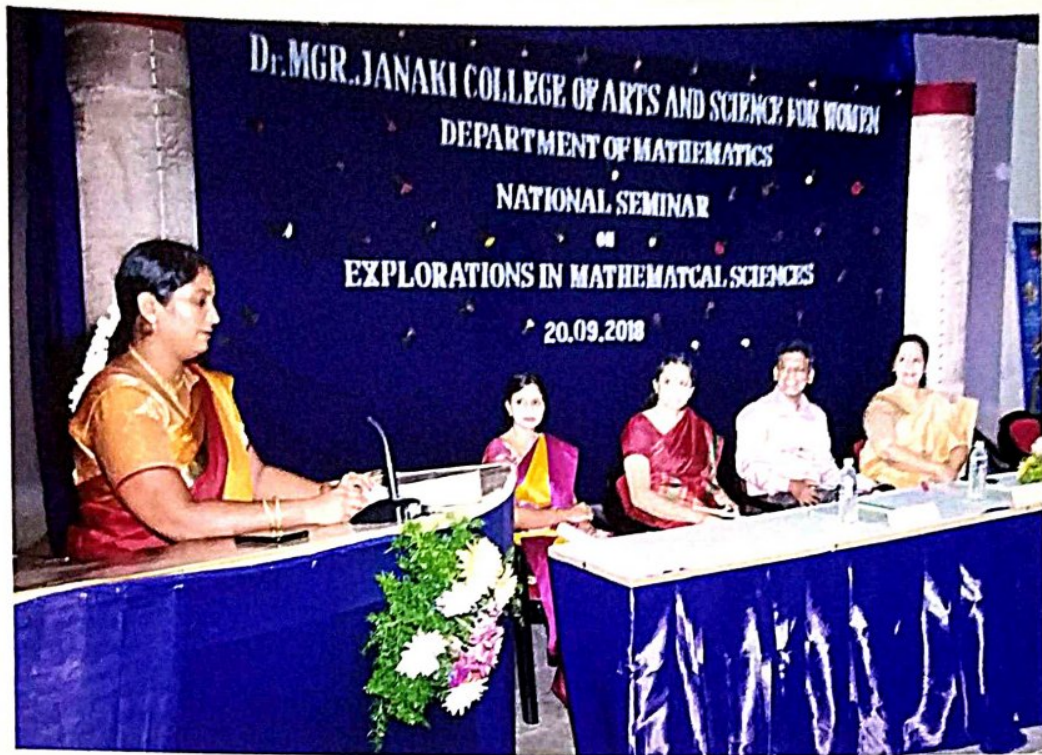

III-Session

Now we will move on to III Session. The Speaker of this session is Dr.M.P.Jeyaraman, Assistant Professor, Department of Mathematics, L.N government college (Autonomous), chennai

Here he is going to deliver his talk on “Know your mathematics”.

To Welcome and introduce the speaker of this Session, I invite Ms. Jayaprabha, Assistant Professor, Department of Mathematics.

Thank you sir for your thought provoking address. We got clear information about the topic discussed.

INTRODUCTION SPEECH

07.09.2018

Good morning everyone,

I am delighted to introduce our Chief Guest, Dr.Ennapadam Krishnamoorthy, Dr.Abilasha, Dr.Razeena Padmam, and Dr.Shantala Hedge.

Ennapadam Srinivas Krishnamoorthy is a neuropsychiatrist with special interests in Epilepsy and Dementia. He is the Founder and Director of Neurokrish - the neuropsychiatry center and TRIMED - a chain of integrative medical specialties based in Chennai, India. He is a Professor of Neuropsychiatry, Neurology, and Clinical Neuroscience at The Institute of Neurological Sciences, Voluntary Health Services Multispecialty Hospital and Research Institute affiliated to The Tamil Nadu Dr. M.G.R. Medical University.

Dr.Abilasha is a member of the American Psychological Association, as well as the President and Founder Trustee of "Aaruthal Charitable Trust". She has been a Consultant Psychologist at Frontier Lifeline Hospitals P.Ltd (Dr. K.M.Cherian Heart Foundation), Chennai. On behalf of the Management, Faculty members, and students of Dr. MGR Janaki College of Arts & Science for Women, I welcome you, Ma'am and Sir.

Dr. MGR-JANAKI COLLEGE OF ARTS & SCIENCE FOR WOMEN

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, RA Puram, Chennai - 28

MC for Guest Lecture

Good morning everyone.

It's a glad welcome we bring to you this morning, filled with the desires hopes, and dreams we all share.

I am Renuka Department Secretary, for the Department of Psychology. We have gathered here for the wonderful National Seminar on, "Recent Trends in Neuropsychology".

At present there is a high importance to involve neuropsychological assessment in the educational environment.

There are lots of benefits one of which is, that the problematic issue reveals the idea of integrating neuropsychology and personality diagnostics procedures of adolescents and young age people.

This will be briefly explained by our resource persons Dr. Ennapadam Krishnamoorthy, Dr. Abilasha, Dr. Razeena Padmam, and Dr. Shantala Hedge.

As we all know no program can be started without remembering the almighty, the creator of the whole universe so now I would like to call upon Miss N.P. Anupriya to render the prayer song

Thank you for the auspicious performance, Anupriya.

I would like to call upon Dr. Ragitha Radhakrishnan, for the Department of Psychology to present a memento to the chief guest

Thank you, sir, thank, you, ma'am

Now may I call upon Ms. N. Datchyaayane, Assistant Professor, Department of Psychology, to introduce the chief guest.

Thank you, ma'am,

Thank you for the wonderful speech, sir your kind presence in today's seminar encouraged us a lot.

Vote of Thanks

On behalf of our Management, Principal, Faculty members, and students of the Dr. MGR Janaki College of Arts and Science for Women. I thank you sir for sharing your expertise.

Thank you all

 Dr. MGR-JANAKI COLLEGE OF ARTS & SCIENCE FOR WOMEN SATHYABAMA MGR MALIGAI 11 & 13, Durgabai Deshmukh Road, RA Puram, Chennai - 28		NATIONAL SEMINAR REGISTRATION DETAILS

Chennai 600 028

Department of Psychology
takes pleasure in inviting you to the

National Seminar
on

'Recent Trends in Neuropsychology'
on
7 September, 2018

Venue: Auditorium
Time: 9.30 am

ABOUT THE COLLEGE

Dr. MGR-Janaki College of Arts and Science for Women was founded in the memory of the late Chief Ministers Bharat Ratna Dr. MGR and Mrs. Janaki Ramachandran, who championed the cause of women's education, believing true empowerment of women can be obtained only through education and economic independence. For women to scale new heights and explore new territories Dr. MGR-Janaki College offers innumerable job oriented courses. To translate dreams into reality, the college is equipped with a team of dedicated staff and infrastructure par excellence.

ABOUT THE DEPARTMENT

The Department of Psychology was established in the year 1999 and has grown remarkably in strength and quality, since its inception, facilitating students to blossom both in academic and co-curricular activities, enabling realization of their multifarious potentials and talents. The Department of Psychology organizes various intercollegiate activities, workshops, International and National seminars and Field training for the students to enable unique learning experiences. We equip students to become highly competent and resilient.

ABOUT THE SEMINAR

Promoting mental health, thereby ensuring a good quality of life in today's fast paced lifestyle is the need of the hour. Neuropsychological factors are among the leading causes of disabilities worldwide. The conditions vary in prevalence, types of impairments and functional changes over the life span. The Professionals in Psychology have a responsibility to contribute to the society through exploring the recent developments in the field and utilizing it for the benefit of mankind.

REGISTRATION FEES

Category	Registration Fees
Students and Research Scholars	Rs. 300
Academicians and Practitioners	Rs. 600

REPORT:

Departments of Psychology organized a National Seminar on the topic “Recent Trends in Neuropsychology” on 07 September 2018 from 09.30 am to 04.00 pm. Dr. Ennapadam Krishnamoorthy, Dr. Abilasha, Dr. Razeena Padmam and Dr. Shantala Hedge was the resource person for the National Seminar. It was conducted for the Department of Students to make them aware of Recent Trends in Neuropsychology. Around 196 students participated in the program. The participants interacted with the speakers and they clarified their doubts at the end of the session.

Dr.Ragitha Radhakrishnan, Head of the Department of Psychology, Honoured the Chief Guest with the Memento. Ms. N. Datchyaayane, Assistant Professor, Department of Psychology, introduced the Chief Guest with great excitement. After that, the speaker addressed the students with their knowledge and experience on Recent Trends in Neuropsychology.

Ms. Renuka, III year B.Sc Psychology, Department Secretary, delivered the vote of thanks.

NATIONAL SEMINAR ON ENTREPRENEURIAL DEVELOPMENT

WELCOME ADDRESS

A very good morning! And a warm welcome to one-and-all present here. It gives us immense pleasure in welcoming you all for the National seminar on “**ENTREPRENEURIAL DEVELOPMENT**”.

Now I request Mr. R. Sukumar, Asst. General Manager, SIDBI to address the gathering.

VOTE OF THANKS

Thank you, Mr. R. Sukumar, for the wonderful session, we have got clear information about the topic discussed. I would like to thank the faculty and the students of the Department of Business Administration and HRM for their support.

INTRODUCTION OF THE SPEAKER

25.09.2018

Good Morning Everyone,

I am delighted to introduce our Chief Guest, Ms.S Subbulakshmi, Asst. Professor, Department of Psychology

On behalf of the Management, Faculty members, and students of Dr.MGR.- Janaki College of Arts & Science for Women, I welcome you, Mam.

Dr. S. Subbulakshmi did her Ph.D. in Statistics from Bharathidasan University, Tiruchirapalli. M.Phil in Statistics from Presidency College. M.Sc. in Statistics from M.S.University, Tirunelveli, and B.Sc. in Mathematics from Sri Parasakthi College for Women, Courtallam, India.

She accomplished a project entitled “A Survey on the Study of the literacy status of citizens of rural areas in Tirunelveli District” in May 1999. As an enumerator, actively engaged in the Pre-poll Survey for the General Elections (Parliament) 1998, conducted jointly by “Dinamalar” a national Tamil daily, and M.S University in Tirunelveli District. She also undertook a project entitled “Purchase Bills of Madura Coats” in May 1997. As a statistician at Christian Fellowship Community Health Centre, actively engaged in the Cervical Cancer Control Program (CCCP), which was implemented in collaboration with the International Agency for Research on Cancer (IARC) of the World Health Organization (WHO).

Dear Sir,

Greetings from Dr.MGR Janaki College

We are pleased to inform you that Departments of Biochemistry, Microbiology, PG departments of Bioinformatics & Clinical Trial Management and Applied Microbiology is planning to organize a National Seminar on "Academia-Industry Interface" on 30th and 31st July 2018.

Thanks for accepting to be one of the resource persons for a scientific session (on 31st July 2018) for this seminar. We are also grateful for your acceptance to the workshop planned on 1st August 2018.

Thanking you

Regards

PROGRAMME SCHEDULE

DAY: 1 [30.07.2018]

09:00 am -9:30 am	Registration
9:30 am -11:00 am	Inauguration
Welcome address	Dr. R. Manimekalai, Principal Dr. MGR - Janaki College
Felicitation	Dr. Latha Rajendran Correspondent Dr. MGR - Janaki College
Dynamics of the Seminar	Dr. Victoriya Salomi Head, Department of Biochemistry, Dr. MGR - Janaki College
	Inaugural address
	Dr. S.S Easwaran, Academic Director, Biocon Academy Bengaluru
	Vote of Thanks
	Dr. P. Sumithira, Head, Department of Microbiology, Dr. MGR - Janaki College
11:00 am -11:15 am	Ten Break

SESSION I:

11:15 am-12:00 noon

Ms. G.V. Amuruthavalli,
Senior Research Associate
Dr. JIRK's Research & Pharmaceuticals Pvt Ltd
Kandambur
Chennai
Importance of microbes on positive health

12 noon – 12:45 pm

Mr. Sam Belsaw Jayabalan
Deputy Manager
Quality Scientific Food Testing Services Pvt. Ltd
NABL Accredited and FSSAI Recognized Lab
Chennai
Importance of food testing and awareness about food adulteration

12:45 pm - 1:15 pm

Lunch

1:15 pm to 2:30 pm

Paper & Poster Presentation:
Shri M.Rajendran Memorial Award for Best Paper
Venue: Microbiology PG Lab

Dr. Rukmani Remembrance Award for Best Poster
Venue: Seminar Hall

DAY: 2 [31.07.2018]

SESSION II

09:30 am – 10:15 am

Dr. Rajkumar Samud
Director
Haben Enviro Care Systems Pvt Ltd
Chennai
Solution to Environment Testing

10:15 am to 11:00 am

Dr. G. Girinath
Director & CEO
Zentra Innovations
Bengaluru
Prepared to match requirements of Life Science Industry?

11:00 am -11:15 am

Ten Break

11:15 am -12 noon

V. Gopinathan
Vice President
Marketing Planning & IT Solutions
CPC Diagnostics Pvt Ltd,
Chennai
Advanced Automation in IVD

12 noon – 1:00 pm

Valedictory
Valedictory address
Prof. D. Venkateshram
Director of Chemistry Graduate Program
University of Massachusetts
Amherst, USA

OBJECTIVE

A Food microbiologist with nine years of experience in Food Industry & Good trainer
An innovative problem solver, Knowledge in food safety management system. Looking for an organization where
I can use my knowledge to recommend, review, & improve the quality and food safety & Standards.

PROFESSIONAL SKILLS

- Expertise in Food Testing Laboratory Activities and Regulatory Body Accreditation Process & Regulatory Certification for the Standard of ISO/IEC 17025:2005 (NABL Accreditation),APEDA,MPEDA & EIC.

- A highly motivated and energetic professional, dedicated to understanding and meeting company needs.
- Exceptional focus, follow-through and coordination skills
- Knowledge in HACCP, ISO 22000, & FSSR 2011 & Microbiological techniques.
- Trained & Certified Lead Auditor on ISO/IEC 17025:2005 standards by STQC, Hyderabad.
- An Authorized Signatory by NABL for Food Microbiology Test Report.
- Knowledge in SPML Guidelines (IATA)
- Good communication and interpersonal skills
- Computer skills include: MS Office
- Knowledge in ERP JD EDWARDS software –Quality Management & Manufacturing Module.
- Knowledge in FSSAI –Food safety standards Act rules & regulations 2006 & 2011.
- Expertise in Food Handlers Training & Education.
- Skills in Vendor Audits & Third party Audits based on Food Safety Management.
- Expertise in NABL Documentation and Handling commercial Laboratory.
- Handling Inter Laboratory Comparison , Internal Quality Checks.

PROFESSIONAL EXPERIENCE

Current Profile: Deputy Manager- Quality at Scientific Food Testing Services P Ltd, (Aachi Masala Foods P Ltd) Chennai (Since Oct 2014 to till date).

Plays role as “Deputy Quality Manager ” in the organization to maintain the standards of ISO/IEC 17025:2005 the Laboratory Quality management System and the periodic management review meeting, conducting Internal Audit, Inter Laboratory Comparison, Internal Quality Check, Preparation Management System Procedures, Quality System Manual, Maintaining of Records to ensure the standards and compliance are met (ISO/IEC 17025:2005).

Communicating to Regulatory Body like FSSAI, NABL, Tea Board, APEDA, MPEDA, EIC, and FICS for the regular as well the Accreditation Process of the organization.

An Authorized Signatory for FSSAI Test Reports by Food Import Clearance System- Chennai Port.

And also looking after the Microbiology Laboratory Activities for the Food Testing and the competency level of all the personal, and a Authorized Signatory for Food Testing for Microbiological Scope.

Planning & Managing Inter Laboratory Comparison – (Microbiological and Chemical Analysis of Food & Water samples).

Le Meridian Hotel-Coimbatore [March 2014 – September 2014]

Job Title : Quality Control- Executive

- Implementing FSMS (Food Safety Management System) standards & procedures in the organizations on ISO 22000:2005 standards.
- Setting standards as per Starwood Group of Hotels.
- Maintaining all the Records as per Starwood Standard.
- Adherence to HACCP standards is regularly ensured by verification & monitoring & of all CRITICAL CONTROL POINTS and necessary corrective actions are taken in Manufacturing & operations.
- Periodic review on Hazards assessment related to process changes in operations & new product development and ensuring the food safety through HACCP plan.
- Making verification plan and doing Internal Audit with FSMS team members to improve Quality System in organization
- Vendor evaluation done through supplier premise audit with structured schedule plan (Audit Schedule)
- To ensure the Quality of product will deliver by the Vendor through Vendor rating process.
- Making training plan & organizing training for all Food Handlers in the Organization.
- Organizing Management Review meeting periodically to address Food safety Issues in system and review corrective actions for continuous improvement in Food safety
- Ensuring GMPs are followed.
- Verifying the standards of equipment and materials with regards to microbiological food safety.
- Verifying the Microbiological record.
- Ensuring all safety measures to provide a quality and hygienic food to our customer.

QATAR AIRCRAFT CATERING COMPANY (Qatar Airways) – Doha Qatar (Nov 2007 to Feb 2014)

JOB TITLE: Team Leader-Quality Assurance

- Adherence to HACCP standards is regularly ensured by verification & monitoring & of all CRITICAL CONTROL POINTS and necessary corrective actions are taken.
- Risk assessment for the entire process done.
- Supplier evaluation and vendor rating analysis done.
- Monitoring the hygiene aspects of the entire unit.
- Investigation of customer complaints and answering customer queries.
- Identifying material non conformance and implementing corrective actions.
- Ensuring Meals are provided as per customer specifications.

- Ensuring all Airline equipment's are properly sanitized.
- Handling VR (Voyage Report) for Qatar Airways and investigating the root causes and responding to the clients.
- Ensuring GMPS are followed.
- Verifying the standards of equipment and materials with regards to microbiological food safety.
- Verifying the Microbiological record.
- Ensuring all safety measures to provide a quality and hygienic food to our customer.
- Case Study on Foreign Object Complaints and Comparing the FOB with the Analytical Quality Control Chart.

BREEZE Residency, Trichirapalli (May 2007 to Oct 2007)

JOB TITLE: *Microbiologist cum Hygiene Supervisor*

- Adherence to HACCP standards is regularly ensured by verification & monitoring & of all CRITICAL CONTROL POINTS and necessary corrective actions are taken.
- Monitoring the flight presetting, cooking, chilling, Dish out, and dispatch handling.
- Microbiological Food testing and keeping test reports.
- Handling the Flight complaints and responding to the customer.
- Training for Food Handlers – Food Safety and HACCP Programme.

Centre for Blood and Disorders, T.Nagar Chennai (June 2006 to April 2007)

JOB TITLE: *Research Microbiologist*

- Pure culture maintaining in all types of Microbial Cultures.
- Familiar in Fungal Culture with various samples.
- Familiar with Immunological techniques (CBC, ELECTROPHORESIS, ELISA).
- Familiar with the Bacterial Staining Method and in LPCB Staining of Fungal.
- Familiar with the Antimicrobial Susceptibility tests.

TRAINING ATTENDED

- Basic fire safety training & Fire fighting techniques organized by QACC in QISC
- Lead Auditor- ISO/IEC 17025:2005 Laboratory Quality Management Training course conducted by STQC (CETE - Hyderabad).
- Training in ERP module (Oracle JD Edwards) include Manufacturing, Quality management, Shop floor Management training Conducted in QACC.

TITLE OF PROJECT

- Prevalence of antibacterial susceptibility in urinary tract infected patients.

PERSONAL PROFILE

- Father's Name : J. Jeyabalan Selvaraj
- Date of Birth : 29.11.1984
- Gender : Male
- Marital Status : Married
- Languages Known : Tamil (Read, Write, Speak), English (Read, Write, Speak), Hindi(Only Speak), Malayalam(Only Speak)

Date: 29.01.2018

J. Sam Bristow

Dr. V Gopinath, Vice-President, Marketing Planning and IT solutions, CPC Diagnostics Pvt Ltd

Dr. Gopinath Started his career after his graduation in Electronics and Communication Engineering in 1992

He has successfully climbed the corporate ladder due to his dedicated and focused hard work. He has served as a regional manager and got promoted as a sales promotion manager, followed by Business head and General Manager. It is not surprising that he is the **Vice-president** at CPC Diagnostics now.

Being with CPC for more than two decades, has a rich and versatile experience in the field of In vitro Diagnostics. Dr. Gopinath has successfully launched **Olympus**, Fully automated Analyzers in South India and Srilanka.

He is very keen on adopting new technologies and products, to enable affordable Health care. His innovations include launching of cutting edge technology products in India from **MUT**, Germany.

Dr. Gopinath is a **repository** of information in Life science more specifically –on IVD Automation business.

We are very eager to listen to such a Vibrant and enterprising person, I request you address the gathering sir.

Prof. D. Venkataraman (DV) received his B.Sc. in Chemistry from R.K.M. Vivekananda College, Mylapore, Chennai, in 1989 and his M.Sc. in chemistry from Indian Institute of Technology (IIT), Madras in 1991. At IIT, he worked with Prof. B. Viswanathan and Prof. T. K. Varadarajan on the synthesis of inorganic superconductors. After completion of his Ph.D. in 1996 from University of Illinois at Urbana-Champaign under Prof. Jeff Moore and Prof. Stephen Lee, DV was a postdoctoral fellow at Cornell University with Prof. Frank DiSalvo and Prof. Jean Fréchet (pronounced 'Frey-Shey').

Prof. Venkataraman started his independent academic career at the University of Massachusetts Amherst. He is currently a Professor of Chemistry and serves as Director of Chemistry Graduate Program at the University of Massachusetts Amherst. Prof. Venkataraman has won several awards including the Camille and Henry Dreyfus New Faculty Award, and the prestigious US National Science Foundation's CAREER award which is awarded 'to faculty who have the potential to serve as academic role models in research and education and to lead advances in the mission of their department or organization'. In 2015, Prof. Venkataraman won both the University-wide Distinguished Teaching and Graduate Mentor awards. Both awards initiated by university-wide student nominations. He has authored over 130 publications and is a recipient of 4 patents. In 2016, He founded 'Agum Technologies', to bring organic photovoltaic cells that can generate power from indoor lighting to the market.

He currently leads the Advanced Laboratory for Iontronic, Electronic, and Nanomaterials. His research focuses on the concepts of supramolecular chemistry, energy conversion and storage, charge transport, and nanomaterials. He is also developing new teaching paradigms for undergraduate and graduate education.

Girinath G. Pillai, PhD
CEO, Zastra Innovations, Bengaluru

Short CV:

Dr. Pillai is a Scientist and Founder of Zastra Innovations, Bengaluru and formerly a Marie Curie Research Fellow at Molcode Ltd., Estonia. Prior, he held few scientific positions at the University of Florida, with Prof. Alan Katritzky; University of Tartu and University of Kerala including business partners of BioSolveIT and COSMOlogic. He carried out his PhD at University of Florida with Prof. Alan Katritzky and Prof. Karelon. His work on mosquito repellents with US Department of Agriculture including SAR methodologies with targeted descriptors attracted global collaborators for scientific findings. He was the responsible researcher for 4 industrial projects from Henkel, Exxon Mobil, Johnson & Johnson and Eastman in the US. He holds 37 research papers in peer reviewed international journals, 2 US patent and co-authored 1 book chapter. He is a reviewer for few ACS, Bentham Science, Elsevier, Wiley and PLoSOne journals. He is passionate about helping hand for the people in-need especially in the education, research sector for skill learning process. Technology and Knowledge transfer is his key aim for the coming years in his research career through Nyro Research Foundation at Kerala. Currently he has two PhD students working under him. Apart from scientific positions he is also founder of Peer Cloud start-up with support from Microsoft and funding agencies in Europe.

His work on mosquito repellents with US Department of Agriculture including SAR methodologies with targeted descriptors attracted global collaborators for scientific findings. He was the responsible researcher for 4 industrial projects from Henkel, Exxon Mobil, Johnson & Johnson and Eastman in the US. He holds 37 research papers in peer reviewed international journals, 2 US patent and co-authored 1 book chapter. He is a reviewer for few ACS, Bentham Science, Elsevier, Wiley and PLoSOne journals. He is passionate about helping hand for the people in-need especially in the education, research sector for skill learning process. Technology and Knowledge transfer is his key aim for the coming years in his research career through Nyro Research Foundation at Kerala. Currently he has two PhD students working under him. Apart from scientific positions he is also founder of Peer Cloud start-up with support from Microsoft and funding agencies in Europe.

VOTE OF THANKS

Thank you for the wonderful session, we have got clear information about the topic discussed. I would like to thank the faculty and the students of the Department of Microbiology for their support.

A very Good Morning!

Academia and Industry are two different worlds which operate on different pedestals. Both have different purposes and different ideologies. However, the rapid pace of change in the outside environment is compelling these two different worlds to come together to address and solve some of the real-world challenges.

With growing economy, while witnessing the growth of education sector, industries is not so convinced about the job-readiness of the graduates. There is an urgent need that Industries and Academia come together and address some of the underlying challenges.

As per the recent statistics, the education sector in India is poised to witness major growth in the years to come as India will have world's largest tertiary-age population and second largest graduate talent by the end of 2020. Our economy is also expected to grow at a fast pace. However, despite these encouraging statistics, a major segment of graduates remain unemployable - according to 'National Employability Report'

One of the approaches to tackle the problem of lacking skill and job readiness is partnerships between the industry and academia.

Alignment of curriculum with industry requirements, Emphasis on skill-based education,

Emphasis on skill-based education: Workplace exposure through internships, live projects, and corporate interactions: Up-skilling the faculty: are some of the ways to delve into some of the ways how industry and academia can come together to bridge this gap.

Partnerships between academia and industry are nothing new, but only with the right strategy, enterprises will be able to prosper. Academia and industry share a symbiotic relationship. Academia produces graduates who are absorbed by industry. Research work in universities are taken up by the industry and turned into products and services. Industry on the other hand looks

to academia for solutions to their concerns. It also funds focused research in universities like up setting up laboratories, designating industry chairs, and providing guest faculty and placement opportunities.

Addressing this issue, Rajesh C. Mathur, Advisor, Eri India, says, Industry can participate in collaboration with academia through Train the Trainer programmes, course curriculum review, internship for students, technology updates, support in establishing laboratories and research projects.

Considering the evolving nature of industry, hyper-competitive environment and its changes in the labor market there is a need to shift from theoretical knowledge to skill based education with a more practical and dynamic approach with workplace exposure through internships, live projects, and corporate interactions: A Well-timed and well-deliberated exposure to the industry provides a much-needed experience to the students.

With this idea we the department of Microbiology and biochemistry and PG departments of

Considering the evolving nature of industry, hyper-competitive environment and its changes in the labor market there is a need to shift from theoretical knowledge to skill based education with a more practical and dynamic approach with workplace exposure through internships, live projects, and corporate interactions. A Well-timed and well-deliberated exposure to the industry provides a much-needed experience to the students.

With this idea we the department of Microbiology and biochemistry and PG departments of Bioinformatics and Applied Microbiology, have organized this seminar "Academia- Industry Interface.

I heartily welcome the gathering to this 2 day International Seminar to gain insight into the interface.

Academia and Industry are two different worlds which operate on different pedestals. Both have different purposes and different ideologies. However, the rapid pace of change in the outside environment is compelling these two different worlds to come together to address and solve some of the real-world challenges.

As per the **recent statistics**, the education sector in India is poised to witness major growth in the years to come as India will have world's largest tertiary-age population and second largest graduate talent pipeline globally by the end of 2020. India's economy is also expected to grow at a fast pace; India could potentially emerge as a global supplier of skilled manpower.

However, despite these encouraging statistics, a major segment of graduates remain unemployable - according to '**National Employability Report**' 2016.

With growing economy, while witnessing the growth of education sector it is not so convincing for the industry about the job-readiness of the graduates. There is an urgent need that Industries and Academia come together and address some of the underlying challenges.

Alignment of curriculum with industry requirements: Considering the evolving nature of industry and changes in the labor market, it has become imperative to ascertain how best the academic curriculum can address various requirements and demands of the dynamic industry. Despite exponential changes in almost every field, college curriculum is often rigid and hard to revise. It is advisable that curriculum is revised regularly and is developed in accordance with what industry needs. Academia can also look at existing pedagogies and see if the same can be improved and made more practical in approach. So far there has been immense reliance on the classroom methodology and a theory-heavy approach, however, the need is to make the entire approach more practical case studies; regularly calling guest speakers from different industries and letting students interact with them can prove to be extremely beneficial for everyone. Furthermore, there are a number of fantastic, industry relevant online courses available which can be merged with the syllabus to give students more insights about the industry.

Emphasis on skill-based education: A recent **NASSCOM report** suggests that by 2020, 2 out of 3 millennials would like to take up a managerial job within 3 years of their joining and the core skill set required by the industry will change fast and newer skills like creative thinking, higher level problem solving, interpersonal skills, innovation, decision making will be in great demand. However, "Skill-based education is somewhat lacking in all the higher education fields in India and management is no different. The focus of management institutes need to shift from theoretical knowledge to skill based education with a more practical and dynamic approach," says RoshniChakrabarty noting recent trends in MBA education. Therefore, besides imparting the core or technical knowledge, academia should also try to focus on the softer and behavioural aspects such as interpersonal skills, leadership capability, attitude, communication skills (with increased emphasis on learning the English language) team spirit and alike which will play critical role in determining the success of

individuals once they join the industry.

Workplace exposure through internships, live projects, and corporate interactions: Well-timed and well-deliberated exposure to the industry provides a much-needed experience to the students. They can take the form of internships or part-time projects that students can work on, which provide practical insights about how the industry operates and expose students to the current realities of the workplace. While there is no guarantee that these internships will fetch permanent jobs, it will equip the students to adjust to the needs of the business once they actually join the industry. Such opportunities boost students' confidence as they learn a lot by being present in the workplace.

Up-skilling the faculty: Apart from only focusing on the curriculum structure, it is also imperative to provide the right exposure and training to the faculty. Most of the faculty do not possess requisite industry experience which comes in the way of imparting practical knowledge about industries. It will be great if the faculty can regularly undertake short industrial projects in collaboration with industry experts. This will help ensure that the faculty is in line with the current industrial trends.

It would be great to see employers coming forward and working exclusively with the academicians to create and develop a shared model for jobs and curriculum to address their specific industry requirements. The successful model will ensure many benefits for everyone -the graduating students will find their transition into industry roles smoother, employers will be able to hire people who are skilled and job-ready and academic institutes will take great pride in seeing their students getting placed with good firms.

Partnerships between academia and industry are nothing new, but only with the right strategy, enterprises will be able to prosper. By Arup Dasgupta

Academia and industry share a symbiotic relationship. Academia produces graduates who are absorbed by industry. Research work in universities are taken up by the industry and turned into products and services. Industry on the other hand

looks to academia for solutions to their concerns. It would like universities to tailor their courses to turn out graduates whose skill-set are aligned to industry requirements. Often new research topics arise out of interaction between the duos which benefit both academia and industry.

The latter therefore funds focused research in universities which they can operationalize. This may include setting up laboratories, designating industry chairs, and providing guest faculty and placement opportunities. Geospatial industry entails all these facilitators and more because it is a multi-disciplinary field which requires geographers, computer scientists, environmental scientists, social scientists, and domain and management experts.

PROGRAMME SCHEDULE

DAY: 1 [30.07.2018]

09:00 am -9:30 am Registration

9:30 am -11:00 am Inauguration

Welcome address Dr. R. Manimekalai,

Principal

Dr. MGR - Janaki College

Felicitation Dr. Latha Rajendran

Correspondent

Dr. MGR - Janaki College

Dynamics of the Seminar Dr. Victoriya Salomi

Head, Department of Biochemistry,

Dr. MGR - Janaki College

Inaugural address

Dr. S.S Easwaran,

Academic Director,

Biocon Academy

Bengaluru

Vote of Thanks

Dr. P. Sumithira,

Head, Department of Microbiology,

Dr. MGR - Janaki College

11:00 am -11:15 am Tea Break

SESSION I:

11:15 am-12:00 noon

Ms. G.V. Amuruthavalli.

Senior Research Associate

Dr. JRK's Research & Pharmaceuticals Pvt Ltd

Kundrathur

Chennai

Importance of microbes on positive health

11:00 am -11:15 am Tea Break

SESSION I:

11:15 am-12:00 noon

Ms. G.V. Amuruthavalli.

Senior Research Associate

Dr. JRK's Research & Pharmaceuticals Pvt Ltd

Kundrathur

Chennai

Importance of microbes on positive health

12 noon – 12.45 pm Mr. Sam Bristow Jeyabalan

Deputy Manager

Quality Scientific Food Testing Services Pvt Ltd

NABL Accredited and FSSAI Recognized Lab

Chennai

Importance of food testing and awareness about
food adulteration

12:45 pm - 1.15 pm Lunch

1.15 pm to 2.30 pm Paper & Poster Presentation

Shri M.Rajendran Memorial Award for Best Paper

Venue: Microbiology PG Lab

Dr. Rukmani Remembrance Award for Best Poster

Venue: Seminar Hall

DAY 2

SESSION 1

A very happy morning to one all

We have gathered here on the second day of the National Seminar on “ Academia-Industry Interface”.

Today for the first session we have with us Dr.Rajkumar Samuel, Director, Hubert

Enviro care Systems pvt ltd, Chennai.

I request **Mrs.Ashwini mam**, Assistant professor, Derpartment of Microbiology, to welcome our guest with a plant sampling&memento.

Thank you mam

I now request Ashwini mam to introduce our guest.

Thank you sir for your

Day 2

Session 2

We now move on to the 2nd session

①
Academia-Industry Interface

Dr. Rajkumar Samuel (Days - 31-07-2018)

- Good morning. On behalf of the organizing committee I welcome you all to the 2nd day National Seminar On Academia-Industry Interface.
- Now, let me introduce our 1st speaker of the day, Dr. Rajkumar Samuel, Director, Hubert Envis Care Systems Pvt Ltd, Chennai.
- Dr. Rajkumar's career has taken him through 12 years of study, research and administration since 2006.
- He holds his doctoral degree in medical microbiology from Institute of Basic Medical Sciences, Tamil Nadu, Chennai.
- He has published various research papers in popular journals.
- As a director of Hubert Envis Care Systems Pvt Ltd, his motto is all about managing, maintaining, evaluating, implementing and documenting quality procedures & ensures the same.
- He is also a teacher who conducts technical training and internship programmes to aspiring & budding researchers.
- He is technically sound who performs many microbiological examination & environmental monitoring as per regulations of ISO, APHA, USFDA, WHO etc.
- As an administrator he faces audits conducted by NABL i.e. National Accreditation Board of Calibration & Testing Laboratory.

Session 2

We now move on to the 2nd session

The next speaker for the hour is **Dr.G.Girinath**, Director& CEO, Zastru innovations,
Bangalore.

I now invite **Mrs. Brindha mam**, Assistant professor, Department of
Biochemistry& bioinformatics to welcome our guest, Dr.G.Girinath with a plant
sampling&momento.

Thank you mam
I now request Mrs.Brindha mam to introduce our speaker.

Thank you sir, that was really a remarkable session on

TEA BREAK

Thank you sir, that was really a remarkable session on

TEA BREAK

We now break for tea kindly assemble back by for the next session.

Day 2

SESSION 3

For this hour we have amongst us **Mr. V.Gopinathan**, Vice president, Marketing planning & IT solutions CPC diagnostics pvt ltd, Chennai.

I now invite **Mrs. Deepa mam**, Assistant professor, Department of biochemistry & bioinformatics to welcome our guest with a plant sampling & memento.

Thank you mam

I request Deepa mam to introduce our speaker.

"Academia - Industry Interface"

30th & 31st July 2018

Departments of Biochemistry, Microbiology and PG Departments of Applied Microbiology & Bioinformatics & Clinical Trial Management Had organized 2 days National Seminar on "Academia – Industry Interface" on 30th & 31st July 2018.

The Inaugural address was rendered by Dr. S. S. Easwaran, Academic Director, Biocon Academy, Bengaluru. His talk Highlighted on the efficient Regional Development, Creating trained talent pool and the encouraging innovation system. He pointed out the importance of productive policies to encourage Academia – Industry Interface.

Dr. S. S. Easwaran, Academic Director, Biocon Academy, Bengaluru

Mr. Sam Bristow Jayabalan, Deputy Manager, Quality Scientific Food Testing Services Pvt. Ltd Chennai spoke on the Food testing and its importance. With innovative ideas in food science, he gave a picture on the role of food testing in health and how food industry is dependent on it.

Mr. Sam Bristow Jayabalan, Deputy Manager,
Quality Scientific Food Testing Services Pvt. Ltd Chennai

I want to express our deep gratitude to our distinguished speakers, who have graciously agreed to share their insights and experiences with us today. Your expertise and passion for collaboration are truly inspiring, and we look forward to your contributions.

In an era defined by rapid technological advancements, the synergy between industry and academia has never been more critical. Industry brings real-world challenges, resources, and market insights, while academia offers cutting-edge research, fresh perspectives, and a pool of talented minds. Together, we possess the potential to drive innovation, solve complex problems, and propel our economies forward.

I want to express our deep gratitude to our distinguished speakers, who have graciously agreed to share their insights and experiences with us today. Your expertise and passion for collaboration are truly inspiring, and we look forward to your contributions.

In closing, I would like to express my gratitude to all of you for being part of this event. Your presence here today demonstrates your commitment to fostering a bridge between industry and academia. I am confident that, through our collective efforts, we will not only enhance innovation but also contribute to the betterment of our societies. Let's embark on this journey of collaboration with open minds and hearts. Together, we can achieve greatness!

Thank you, and let's make this Industry-Academia Interface Conference a resounding success!

Dr. G. Girinath, Director & CEO, Zastra Innovations, Bengaluru shared Interactive session which highly motivated our students to think outside their, subjects. He listed the steps required to pursue a career in science to prepare themselves to match the requirements of the life science industry.

Dr. G. Girinath, Director & CEO, Zastra Innovations, Bengaluru.

V. Gopinathan, Vice President, Marketing Planning & IT Solutions, CPC Diagnostics Pvt Ltd, Chennai gave a spotlighted on In-Vitro diagnostics. He briefed on Latest technologies in IVD and its role in Science Industry.

V. Gopinathan, Vice President, Marketing Planning & IT Solutions, CPC Diagnostics Pvt Ltd, Chennai.

Prof. D. Venkatraman, Director of Chemistry Graduate Program, University of Massachusetts, Amherst, USA gave valedictory address and distributed the prizes.

Prof. D. Venkatraman, Director of Chemistry Graduate Program,
University of Massachusetts, Amherst, USA

This 2 day National seminar had various participants from various Colleges all over Chennai.

Sathyabama University
Chennai - 600 119

has kindly consented to inaugurate the seminar

PROGRAMME SCHEDULE VENUE: AUDITORIUM	
Inauguration	: 10.00 am
Welcome Address	: Dr. R. Manimekalai Principal Dr. MGR-Janaki College of Arts and Science for Women
Felicitation	: Dr. Latha Rajendran Correspondent Dr. MGR-Janaki College of Arts and Science for Women
Dynamics of the Seminar	: Ms. S. Uma Shankari Coordinator – Shift-II Dept. of Computer Applications Dr. MGR-Janaki College of Arts and Science for Women
Inaugural Address	: Dr. S. Sundar Manoharan Vice Chancellor, Sathyabama University, Chennai
Vote of Thanks	: Ms. V. R. Viju Head, Dept of Computer Science & IT Dr. MGR - Janaki College of Arts and Science for Women
Tea Break	: 10.30 am – 11.00 am

Session 1 11.00 am -11.45 am	: Dr. Mohammed Yacoab Assistant Professor, Computer Science Prince Sattam Bin Abdulaziz University Wadi Dawassir, Riyadh. <i>Security in Cloud</i>
Session 2 11.45 am – 12.30 pm	: Dr. R. Loganathan Professor & HOD HKBK College of Engineering Bangalore <i>Safe Computing & Online Scams</i>
Lunch Break 12.30 pm – 1.30 pm	
Session 3 1.30 pm – 2.15 pm	: Dr. Velayutham Selvaraj Director, Twin Tech Solutions, Chennai. <i>Social Engineering</i>
Session 4 2.15 pm – 3.00 pm	: S. Gunasekharan Sub Inspector of Police, Crime Branch Chennai City Police <i>Cyber & Women Safety and Law</i>
Valedictory 3.15 pm – 3.45 pm	

Dr. Loganathan R
HKBK College of Engineering

About

Having 20 years of teaching experience in engineering education, intent to learn, research and grow with the organization by contributing the best.

Experience

- Head-Systems
HKBK College of Engineering
Dec 1999 - Present 22 years 3 months

Education

- **Sathyabama University**
Sathyabama University
Doctor of Philosophy (Ph.D.) Computer Science and Engineering
2008 - 2014

- **Annamalai University**
Annamalai University
PG Diploma Data Mining
2011 - 2012

- **Visvesvaraya Technological University**
Visvesvaraya Technological University
Master's Degree Computer Science and Engineering
2002 - 2004
- Tamilnadu College of Engineering
Bachelor's Degree Computer Science and Engineering
1990 - 1994

Name: DR MOHAHAMED YACOAB

Official Address for communication :

ASST PROFESSOR
DEPARTMENT OF COMPUTER SCIENCE
COLLEGE OF ARTS AND SCIENCE
WADI DAWASSIR 11991
RIYADH PROVINCE
KSA

Email I.D. :
yacoab@yahoo.com

Mobile No. :
00966506775892|

Qualification : Ph.D

Degree	Subject	Institution	Year
Ph.D.	COMPUTER SCIENCE	KARPAGAM UNIVERSITY	2014
PG	COMPUTER APPLICATIONS	BHARATHIDASAN UNIVERSITY	1994
UG	COMPUTER APPLICATIONS	BHARATHIDASAN UNIVERSITY	1991

Discipline/Area of specialisation : COMPUTER NETWORKS

Teaching Experience/Employment history : 23 YEARS

M.Phil./Ph.D. Candidates guided/awarded :

Editorial Activity/Journal Reviewer :

REVIEWER IN

- Reviewer , Journal of Network and Computer Applications – (JNCA)
- : International Journal on Recent and innovation trends in computing and communication

Number of Publications (International/National) : 5

INTERNATIONAL

Recent Papers published: (Authors name, Journal name, Vol., year, pages)

**S. Gunasekaran M.Sc., M.Phil.,
M. Phil., (Geography), M. Sc., (Spatial
Information Technology)**

Sub Inspector of Police, Chennai City Police.

Email: gunaa59@gmail.com Mobile: +91 9962240407

Possessing Bachelor's Degree in Geography and Master's in Spatial Information Technology from University of Madras. Pursuant to that he pursued and obtained Degree in Master's in Philosophy in Geography from University of Madras. Further his keen interest in improvising his technical calibre in the application of Remote Sensing and Geographical Information System has honed his skills in implementing the same during his career.

At present he is serving the State Police Department and attempts to implement the concepts learnt in academia on real time basis. Due to his personal interest in disseminating the field knowledge and correlating the same on real time basis, he was invited by Ramanujam Computing Centre (RCC), Anna University, Chennai 600 025, for delivering special lecture on Crime Mapping using CDR Data Analysis: A GIS Approach & Data Analytics in Transportation, Healthcare and Public Services on various dates.

Velayutham Selvaraj

Director

TwinTech Solutions

I completed my MS in Digital Forensics and Cyber Crime Analysis in United Kingdom. I'm into VAPT (Vulnerability Assessment and Penetration Testing). Now we are accredited with EC council started training Information Security Experts. I have delivered tons of sessions on information security to young graduates and info sec professionals. I worked on many government related projects on information security, helping them to re-design and implement their Cyber Security operations. I hold certifications certified ethical hacker, certified security analyst, certified hacking forensics investigator and the list goes on. I find my self growing everyday learning new concepts. I'm an independent researcher who often finds zero days in IOT devices and commercial softwares. I also work closely with law enforcement on extortion, harrasment & money laundering.

- **PRESENTATIONS (2)(ACTIVE TAB)**

Exploiting Windows Using Microsoft Office DDE Exploit (MACROLESS)

DDE exploit also was known as dynamic data exchange, it allows data to be transferred between applications without any interaction from the user. Hackers leverage this method to execute malicious scripts to compromise.

Perform Vulnerability Scanning in Your Network using Maltego

There are a lot of things maltego can do not just information gathering it can also brute force a website login page, SQL injection and scanning the targets.

Dr. MGR JANAKI COLLEGE OF ARTS & SCIENCE FOR WOMEN
11 & 13 Durgabai Deshmukh Road, Chennai – 600 028.

WELCOME ADDRESS

Good morning to one and all present here, on behalf of the Department of Computer Applications – Shift 1. I, Ms. N.S.KOTHAI , Faculty In charge, Department of Computer Applications has immense pleasure in welcoming you all for the National Seminar On “Cyber Law And Cyber Warfare Measures” by Dr. S. Sundaram Manoharan, Vice Chancellor, Sathyabama University, Chennai.

Now I request Dr. S. Sundaram Manoharan to address the gathering.

VOTE OF THANKS

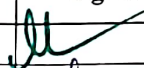

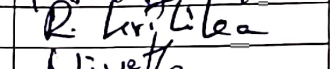

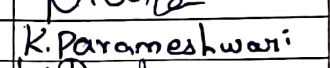

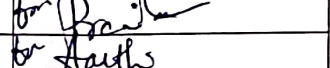

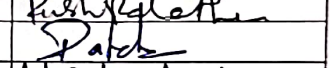

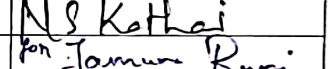

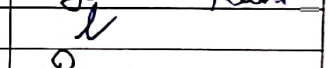

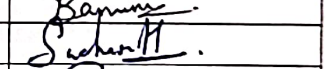

Thank you, Dr. S. Sundaram Manoharan, for the wonderful session, we have got clear information about the topic discussed. I would like to thank the faculty and the students of the Department of Computer Applications for their support.

Kerala.

Dear Sir,

Sub: Invitation for National Seminar - Reg.

Greetings!

We are happy to invite Dr. V. Vilfred, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala to inaugurate the National Seminar on " Explorations In Mathematical Sciences " on 20.09.2018 by 9.00a.m to 10.00a.m. We look forward to your talk Sir.

Thanks & Regards,

V. AGNES S.J. LAVANYA.

Kannur, Kerala, India

Greetings

THIS IS THE GENTLE REMINDER FOR THE FOLLOWING COMPETITION

KONICY DO PARTICIPATE AND REGISTER YOUR NAME BY TOMORROW

SPOT REGISTRATION IS ALLOWED

We cordially invite you to the National Seminar on "EXPLORATIONS IN MATHEMATICAL SCIENCES" which is to be held on 20th September 2018.

The following competitions will be held on the same day

1. Math Modeling.
2. Poster Presentation.

The rules for the above two competitions will be

1. Two participants per team.
2. Students can bring the completed models/posters.

Cash prize will be awarded for the best model/posters.

Refreshments, lunch, certificates and kit will be provided for the participants.

Please find attached the brochure for the National Seminar.

Awaiting for an early response.

With Regards,

Jassal

Department of Mathematics,

RESUME

Name : Dr. M . P. JEYARAMAN

Date of Birth : 16.06.1975

Qualification : M.Sc, M.Phil, Ph.D

- i) B.Sc - (1992 - 1995) - Vivekananda college, Thiruvudagam, Madurai
- ii) M.Sc - (1995 - 1997) - The American college, Madurai
- iii) M.Phil - (1997 - 1998) - Madras Christian college, Tambaram, Chennai
- iv) Ph.D (Complex analysis) - 2008 - Anna university, Chennai

Presently working : Assistant professor, Department of Mathematics,
L.N. government college, Ponneri - 601204

Teaching experience : 21 years and 6 months

Area of interest : Analysis and Automata theory

Visiting faculty : i) Anna university, MIT campus, Chennai
ii) Manipal university, Chennai campus
iii) WIPRO and BITS Sholingallur campus, Chennai .

Resource person - UGC lecture series on Discrete mathematics, networking analysis & sequencing and programming problems conducted by Educational Multimedia Research centre, Anna University, Chennai -broadcasted by UGC, Delhi

Books written :

- i) Discrete Mathematics, Meenakshi agency, Chennai
- ii) Linear Algebra and Partial Differential equations, Meenakshi agency, Chennai
- iii) Graph Theory with Application, Meenakshi agency, Chennai
- iv) Editor, proceedings of National Conference of Recent Trends in advanced mathematics, ISBN - 9789380430041, CBI Publishers, Chennai

39. One Day National Conference on Recent Advances in Mathematics (NCRAM-2014), JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 24th Jan 2014
40. Two Day Workshop on Multimedia teaching-learning resource creation for on-line access, University of Mysore, Mysore, 06-07 Mar 2014
41. The Sixth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 14th March 2014, DOS in Mathematics, University of Mysore, Mysore
42. Annual Conference of ADMA and Graph Theory Day, REVA Institute of Technology and Management, Bangalore, 10-13, Jun 2014
43. National Conference on Recent Developments in Mathematics and their applications (NCRDMA-2014), 17-18 Oct 2014
44. Two Day International Conference on Mathematics – Yesterday and Today (ICMYT-2014), JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 26-27 Dec 2014
45. Two Day National Conference on “Recent Advances in Applied Mathematics”, St.Philomena’s College, Mysuru, 22-23 Jan 2015
46. National Conference on Recent Trends in Physics, Mathematics and Engineering (RTPME-2015), Sarada Vilas College, Mysuru, 20-21 Feb 2015
47. UGC Sponsored One Day National Conference on Mathematics and its Applications, University of Mysore, Mysuru, 21st Feb 2015
48. The Seventh Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 24th March 2015, DOS in Mathematics, University of Mysore, Mysore
49. IoE, UOM Sponsored Two Days National Workshop on Algebra, University of Mysore, Mysuru, 22-23 Aug 2015
50. UGC SAP DRS-1 Sponsored One Day National Conference on Graph Theory and Number Theory, University of Mysore, Mysuru, 24th Aug 2015
51. Golden Jubilee Celebrations of JSS College of Arts, Commerce and Science, Mysore, 21st Nov 2015
52. The 103rd Indian Science Congress, University of Mysore, Mysore, 03-07 Jan 2016.
53. Refresher Course at UGC- Human Resource Development Centre, University of Mysore, Mysuru, from 15.02.2016 to 06.03.2016
54. Two Days National Workshop on Number Theory and Works of Srinivasa Ramanujan, University of Mysore, Mysuru, 26-27 Feb 2016

- and Computer Science, Rani Channamma University, Belagavi, 21-22 May 2011
23. Annual Conference of Academy of Discrete Mathematics and Applications (ADMA) and Graph Theory day VII, National Institute of Technology, Calicut, 9 -11, Jun 2011
 24. National Conference on Graph Theory and its applications, Tumkur University, Tumkur, 5th Dec 2011
 25. National Conference on Theoretical Computer Science and Discrete Mathematics, Kalasalingam University, Krishnankoil, 9-11, Jan 2012
 26. National Conference on Fuctional Analysis and its Applications (FAA-2012), PES College of Science, Arts and Commerce, Mandya, 17-18, Feb 2012
 27. The Fourth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 12th March 2012, DOS in Mathematics, University of Mysore, Mysore
 28. National Conference on Graph Theory and Number Theory- NCGTNT-2012, University of Mysore, Mysore, 21-22, Mar 2012
 29. Three day Workshop on Algebra and its Applications, University of Mysore, Mysore, 30th Jul - 1st Aug 2012
 30. One-Day Seminar on Curriculum Development in Mathematics, JSS College for Women, Saraswathipuram, Mysore, 29th Sept 2012
 31. International Conference on The Works of Srinivasa Ramanujan and Related Topics, University of Mysore, Mysore, 12-14 Dec 2012
 32. Three day workshop on field theory via Geometry and Number Theory, University of Mysore, Mysore, 04-06 Feb 2013
 33. The Fifth Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 9th March 2013, DOS in Mathematics, University of Mysore, Mysore
 34. ICDM-2013, Karnatak University, Dharwad, 10-14, Jun 2013
 35. International Seminar on "Recent Trends in Mathematics", JSS College of Arts, Commerce and Science, Ooty Road, Mysore, 6th Aug 2013
 36. Three day workshop on an introduction to Algebraic Number Theory via Quadratic fields, University of Mysore, Mysore, 22-24 Aug 2013
 37. Three Day Special Lecture Series in Mathematics, University of Mysore, Mysore, 21-23 Nov 2013
 38. Refresher Course, at UGC-Academic Staff College, University of Mysore, Mysore, from 04.12.2013 to 24.12.2013

- 2008
6. International Conference on "Discrete Mathematics" (ICDM-2008), University of Mysore, Mysore, 06-10 Jun 2008
 7. Instructional Workshop on Differential Geometry, University of Mysore, Mysore, 16-25 Jun 2008
 8. Orientation Programme at UGC-Academic Staff College, University of Mysore, Mysore, from 17.07.2008 to 13.08.2008
 9. Two day National Conference on "Behaviour Modification skills for teachers of Higher Education", UGC-Academic Staff College, University of Mysore, Mysore, 08-09 Aug 2008
 10. International Conference on Graph Theory and its Applications, Amrita Vishwa Vidyapeetham University, Ettimadai, Coimbatore, 11-13 Dec 2008
 11. The First Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 21st March 2009, DOS in Mathematics, University of Mysore, Mysore
 12. Fifth Annual Instructional Conference of ADMA and Graph Theory Day V, Periyar University, Salem, 08-10 Jun 2009
 13. National Conference on "Emerging trends in Fluid Mechanics and Graph Theory", Christ University, Bangalore, 25-26, Feb 2010
 14. The Second Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 24th March 2010, DOS in Mathematics, University of Mysore, Mysore
 15. National Workshop on Semigraphs, College of Engineering, Pune, 04-07 Jun 2010
 16. Sixth Annual Instructional Conference of ADMA and Graph Theory Day VI, College of Engineering, Pune, 08-10, Jun 2010
 17. Refresher Course Programme at UGC-Academic Staff College, University of Mysore, Mysore, from 10.06.2010 to 30.06.2010
 18. The National Conference on the Works of Srinivasa Ramanujan, University of Mysore, Mysore, 3rd July 2010
 19. International Conference on Recent Trends in Graph Theory and Combinatorics, ICRTGC-2010, 12-15, Aug 2010
 20. The Third Professor S.V. Keshava Hegde Memorial Endowment Lecture in Mathematics on 7th March 2011, DOS in Mathematics, University of Mysore, Mysore
 21. National Conference on Applications of Mathematics and Statistics, Yuvaraja College, University of Mysore, Mysore, 25-26, Mar 2011
 22. Inter-university subject based conference on Mathematics

Dr.C.VIJAYALAKSHMI

Working as Associate Professor in School of Advanced Sciences, Mathematics Division,
VIT University, Chennai

Professional Qualification:

Ph.D Stochastic Processes General Bulk Queues and their applications (Operations Research)
M.Sc. Operations Research and computer Applications (OR & CA), National Institute of
Technology (NIT) Trichy.

Total working experience(Teaching)	- 23 years
Industrial experience	- 2 years

BOOK PUBLICATIONS:- (For B.E, M.E Engineering students of Anna University)

- i) "Probability & Random Process".
- ii) "Probability & Queuing Theory"
- iii) "Probability & Statistics(Reliability)
- iv) Engineering Mathematics I Anna University – 2018-Volume I

Number of International/National Journal publications(scopus indexed) : 102

Number of International/National conference proceedings : 75

Best paper awards : 8

Projects competed : 1. BRFST for Rs.30 lakhs

2. Seed fund for Rs.3 lakhs

Best Project Award in M.Sc at R.E.C(National Institute of technology) , Trichy.

Received Best Teacher Award in 2003,2010 at Sathyabama University Chennai

Received Bharat Jothi award in 2005 for Academic excellence in Delhi

ASDF Award – Best Professor of 2012 by Pondicherry Government

Best Professor 2013 – VIT University

Best Professor 2014- International Lion's club

Best Professor-Research Award-2015 to 2018 at VIT University

Publications: Total publications

International publications	-	52
National publications	-	50
Paper presented in international conference	-	2
Paper presented in national conference	-	4
International conference / workshop attended	-	7
National conference / workshop attended	-	5
	-	6

Research guidance :

Ph.D (completed)	-	1
Ph.D (ongoing)	-	2
M.Phil (completed)	-	4
M.Phil (ongoing)	-	1
Examiner for Ph.D thesis Evaluation	-	4

Principal investigator for UGC minor research project titled
 "Different Subordination of Analytic Function" (MRP/UGC/2014-15).
 Completed in the year 2017.

Content Reviewer for Higher Secondary mathematics text books of
 Government of Tamil Nadu

Reviewer of the journal :

- Functional analysis theory methods and applications(USA)
- Acta Mathematica Scientia (Elsevier) (China)
- Tamsui Oxford Journal of Information and Mathematical Sciences (Taiwan)
- Computers and Mathematics with Application (USA)
- Journal of Mathematics Research with Application (China)

- Member in Doctoral Committee of various universities
- Member in Board of Studies
- Given nearly 30 lectures on various topics related to Mathematics in various colleges of Tamil Nadu.
- Member in selection committee in recruitment process of staff category of employees

NATIONAL SEMINAR ON “EXPLORATIONS IN MATHEMATICAL SCIENCES”

20 SEPTEMBER 2018

DYNAMICS OF THE SEMINAR

Mathematics, rightly viewed, possesses not only truth, but supreme beauty—a beauty cold and austere, like that of sculpture, without appeal to any part of our weaker nature, without the gorgeous trappings of painting or music, yet sublimely pure, and capable of a stern perfection such as only the greatest art can show. The true spirit of delight, the exaltation, the sense of being more than Man, which is the touchstone of the highest excellence, is to be found in mathematics as surely as poetry. Mathematical beauty is the aesthetic pleasure typically derived from the abstractness, purity, simplicity, depth or orderliness of mathematics. Mathematicians often express this pleasure by describing mathematics as beautiful. To explore the beauty of Mathematics.

Dr. V. VILFRED, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala will deliver inaugural address.

We have planned to conduct 3 Sessions. The details of the session are as follows:

Dr. C. Vijayalakshmi, Associate Professor, Mathematics Division. School of Advanced Sciences. VIT, Chennai will handle the first session. She is going to lecture on the topic “Optimization Techniques and its Applications”.

The next session will be taken over by Dr. Veena Mathad, Assistant Professor DOS in Mathematics, University of Mysore. She will deliver a talk on “Co complete Bipartite Graphs”.

The last session will be handled by Dr. M.P. Jeyaraman, Assistant Professor, Department of Mathematics, L.N. Government College (Autonomous), Chennai. He will brief on the topic “Know Your Mathematics”.

We look forward to get an exposure about what the best of brain think about the Elegance of Mathematics.

INTRODUCTION OF SPEAKERS

Dr V. Vilfred

Dr V. Vilfred is currently an associate professor , department of mathematics, school of physical sciences. His area of specialisation includes discrete mathematics, graph theory, combinatorics and algebra. He also completed two UGC minor projects and one DST major project. Also he's a member of reviewer of mathematical review of AMS, Society for industrial and applied mathematics and life member of Ramanujam mathematical society, academy of discrete mathematics and its applications, Kerala mathematical association and Indian mathematical society.

Dr. C. Vijayalakshmi

Dr. C. Vijayalakshmi is working as associate professor in school of advanced sciences, mathematics division, VIT university, Chennai. She has completed her Ph.D in stochastic processes general bulk queues and their applications. Also she has over 23 years of experience in teaching and over two years of industrial experience. She has also published 102 national and international journals and 75 national and international conference proceedings. She has also been awarded best professor by pondicherry university.

Dr. Veena Mathad

Dr. Veena Mathad is a post graduate professor in university of Mysore. She has received the best paper presentation award at 10th annual conference of ADMA and graph theory day, REVA institute of technology and management. Her area of research interest is graph theory. She has attended several workshops, symposium and conferences. She has also been a part of several national and international journals.

Dr. M. P. Jeyaraman

Dr. M. P. Jeyaraman is currently working as an assistant professor, department of mathematics, L. N. Government college, ponneri. He has over 21 years of teaching experience. He has been awarded doctorate on complex analysis from Anna university in the year 2008. He is also a visiting faculty at anna university, MIT campus, Chennai, Manipal university, Chennai campus and wipro and BITS, sholinganallur. He has also written books on discrete mathematics, linear algebra, partial differential equations, graph theory.

NATIONAL SEMINAR ON “EXPLORATIONS IN MATHEMATICAL SCIENCES

20 SEPTEMBER 2018

SCRIPT

A Very pleasant morning to one and all Gathered here. I feel privileged to welcome you on behalf of the Department of mathematics, Dr. MGR Janaki College to this national Seminar on “Explorations in Mathematical Sciences”. The aim of education is the knowledge not of fact but of values. It is an occasion like this we get opportunities to test our knowledge and understanding encouragement, enthusiasm, excellency is one of the major aspects of this organization with Object Of encouraging the spirit of research and innovation, we feel proud to organize this national seminar on

“Explorations in Mathematical Sciences”. We look forward to get an exposure about what the best of brain think about this dynamic issues on Applications of mathematics.

First of all I would like to welcome our honourable chief guest Dr. V. Vilfred, Head, Department of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, kerala & Our Correspondent Dr. Latha Rajendran, chairman Mr. Kumar Rajendran, Esteemed Principal of our institution Dr. Manimekalai, Vice principal Dr. Lakshmi Balaji, Dean of students Dr. Apitha Sabapathy, Dean of Academics Dr. Shanthi Lakshmi.

Also I extend a warm Welcome to the participants from other Colleges, my colleagues and my dear students. Once again I welcome you all.

“Prayer is not asking, Prayer is putting oneself in the hands of God at his disposition and listening to his voice in the depth of our hearts”.

Let us invoke God’s blessings through prayer song. Thank you students for making us to feel the presence of God. The lamp refers to not just the physical fire but symbolises the cosmic force of Divine light.

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Now I request the dignitaries on the dias to light the Kuthuvilaku.

Thank you sir Thank you mam.

Now I request Our Vice-principal Dr. Lakshmi Balaji to Welcome our honourable chief guest Dr. V.Vilfred with a Sappling. Thank you mam, Thank you Sir.

Now I Call upon Mr. Agnes Lavanya, Head, Dept of Mathematics to present a Sappling to our Vice Principal Dr. Lakshmi Balaji and Our Dean of students Dr.Apitha Sabapathy. Thank you mam.

“ Small cheer and Great welcome makes a mercy feast”.

I request Our Vice-Principal Dr. Lakshmi Balaji to welcome the chief guest of the gathering.

Thank you mam for our red carpet of welcome.

“Gifts are the symbols of love”

To express our gratitude and love, may I request Dr. Lakshmi Balaji, Vice Principal to present, a memento to our chief Guests.

Thank you mam. Thank you Sir.

May I now request Ms.S.vasanthi, Assistant professor. Dept of Mathematics to introduce our honourable chief Guest

May I now request our chief Guest Dr.V.Vilfred, Head, Dept of Mathematics, School of Physical Sciences, Central University of Kerala, Kasaragod, Kerala to deliver the inaugural address.

Thank you very much sir for your thought provoking address. As we express our gratitude, we must never forget that the highest appreciation is not the utter words but to live by them. Gratitude is the virtue of all deeds. To express our sincere gratitude may I call upon Ms.C.Preethi, Assistant Professor, Dept of mathematics, Dr. MGR Janaki College to deliver the Vote of thanks.

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Pause for guest to leave.

I-SESSION

Dr.C. Vijayalakshmi, Associate Professor, Mathematics Division, School of Advanced Sciences, VIT, Chennai will deliver her talk on the topic “Optimization techniques and its Applications”

Mam please, we are eagerly waiting to listen to your session.

Thank you mam for your Valuable insights on Optimization techniques and its application. Your address will definitely help a lot in understanding and this will go long in understanding the Concept behind them.

Announce: Let us take tea break for 15 mins. Come back at 11:15 am.

II-SESSION

Once again I welcome you all.

This session will be handle by Dr.Veena Mathad, Assistant Professor DOS in Mathematics, University of Mysore, Mysore.

She is going to lecture On the topic “Co Complete Bipartite Graphs”

To welcome and introduce the Speaker of this session, may I call upon Ms. S. Subbulakshmi, Assistant Professor, Department Of Mathematics.

Thank you mam please take over the session.

Thank you Mam your address today will be echoed in our minds for long time to come. Thank you mam.

Let us break for delicious lunch

**Dr. MGR-JANAKI COLLEGE
OF ARTS & SCIENCE FOR WOMEN**

SATHYABAMA MGR MALIGAI
11 & 13, Durgabai Deshmukh Road, Raja Annamalai Puram, Chennai - 600 028
Affiliated to the University of Madras

Assemble here after 30 min Lunch will be provided for the participants from other colleges in Seminar hall II which is in Science block

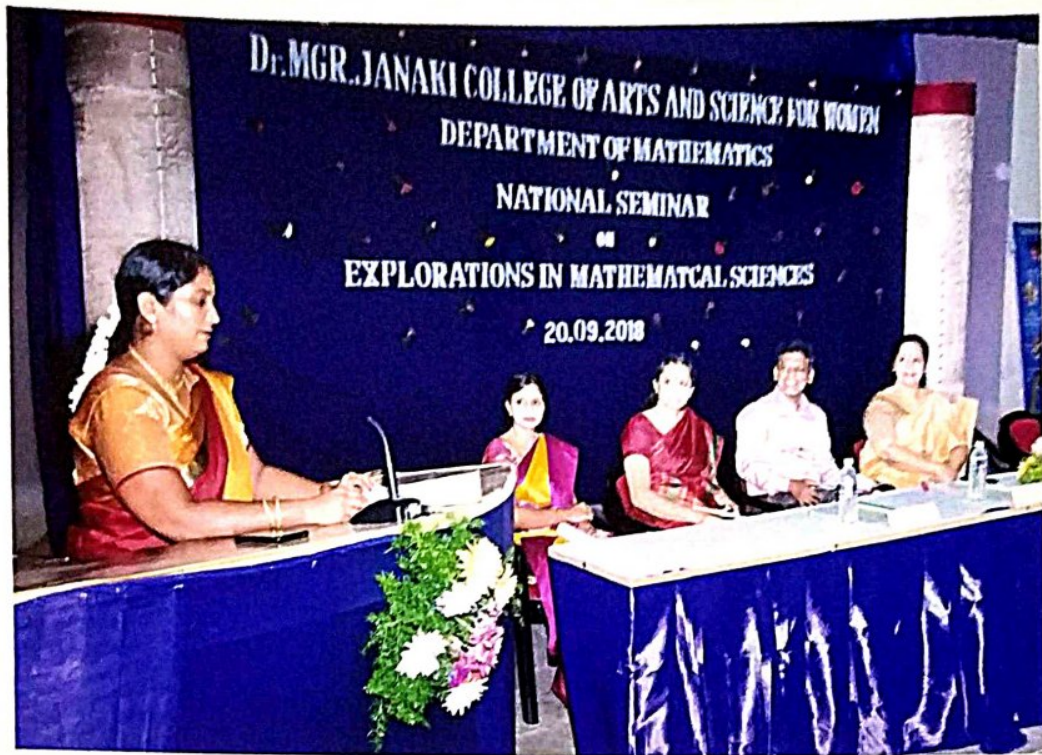

III-Session

Now we will move on to III Session. The Speaker of this session is Dr.M.P.Jeyaraman, Assistant Professor, Department of Mathematics, L.N government college (Autonomous), chennai

Here he is going to deliver his talk on “Know your mathematics”.

To Welcome and introduce the speaker of this Session, I invite Ms. Jayaprabha, Assistant Professor, Department of Mathematics.

Thank you sir for your thought provoking address. We got clear information about the topic discussed.

Sub Inspector of Police, Chennai City Police.

Email: gunaa59@gmail.com Mobile: +91 9962240407

Possessing Bachelor's Degree in Geography and Master's in Spatial Information Technology from University of Madras. Pursuant to that he pursued and obtained Degree in Master's in Philosophy in Geography from University of Madras. Further his keen interest in improvising his technical calibre in the application of Remote Sensing and Geographical Information System has honed his skills in implementing the same during his career.

At present he is serving the State Police Department and attempts to implement the concepts learnt in academia on real time basis. Due to his personal interest in disseminating the field knowledge and correlating the same on real time basis, he was invited by Ramanujam Computing Centre (RCC), Anna University, Chennai 600 025, for delivering special lecture on Crime Mapping using CDR Data Analysis: A GIS Approach & Data Analytics in Transportation, Healthcare and Public Services on various dates.

Velayutham Selvaraj

Director

TwinTech Solutions

I completed my MS in Digital Forensics and Cyber Crime Analysis in United Kingdom. I'm into VAPT (Vulnerability Assessment and Penetration Testing). Now we are accredited with EC council started training Information Security Experts. I have delivered tons of sessions on information security to young graduates and info sec professionals. I worked on many government related projects on information security, helping them to re-design and implement their Cyber Security operations. I hold certifications certified ethical hacker, certified security analyst, certified hacking forensics investigator and the list goes on. I find my self growing everyday learning new concepts. I'm an independent researcher who often finds zero days in IOT devices and commercial softwares. I also work closely with law enforcement on extortion, harrasment & money laundering.

- **PRESENTATIONS (2)(ACTIVE TAB)**

Exploiting Windows Using Microsoft Office DDE Exploit (MACROLESS)

DDE exploit also was known as dynamic data exchange, it allows data to be transferred between applications without any interaction from the user. Hackers leverage this method to execute malicious scripts to compromise.

Perform Vulnerability Scanning in Your Network using Maltego

There are a lot of things maltego can do not just information gathering it can also brute force a website login page, SQL injection and scanning the targets.

WELCOME ADDRESS

Good morning to one and all present here, on behalf of the Department of Computer Applications – Shift 1. I, Ms. N.S.KOTHAI , Faculty In charge, Department of Computer Applications has immense pleasure in welcoming you all for the National Seminar On “Cyber Law And Cyber Warfare Measures” by Dr. S. Sundaram Manoharan, Vice Chancellor, Sathyabama University, Chennai.

Now I request Dr. S. Sundaram Manoharan to address the gathering.

VOTE OF THANKS

Thank you, Dr. S. Sundaram Manoharan, for the wonderful session, we have got clear information about the topic discussed. I would like to thank the faculty and the students of the Department of Computer Applications for their support.

EVENT PHOTO
