BRIEF REPORT

The Guest Lecture on Shakesporean Studies was an extremely enlightening session for students of English Literature as it aimed to provide an understanding on the different periods of English literature and the different forms of poetry specific to each of these periods. The speaker for the day Mrs.Sunitha highlighted on Lyric poetry and the varied forms of plays, with a brief explanation about its structure, theme, characteristics, along with examples for each form. She further laid emphasis on the major works of shakespeare and the similarities and differences in their works. Overall, the lecture helped students understand the functionality of the genre in the field of English Literature.
